

LA ISLA NEGRA

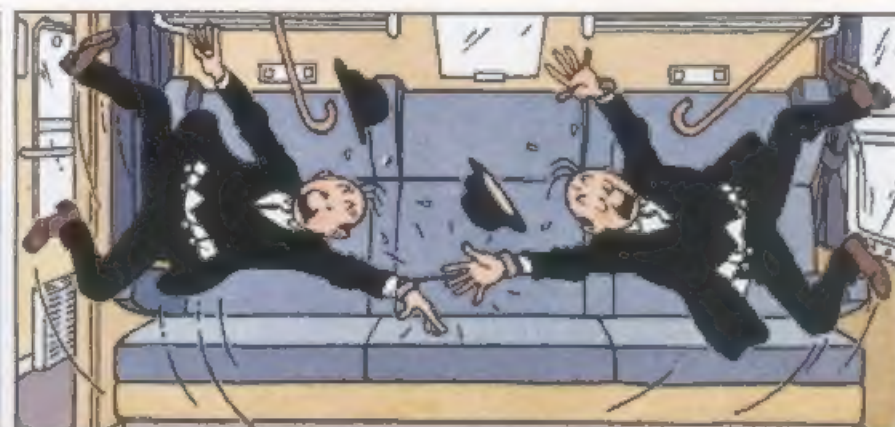

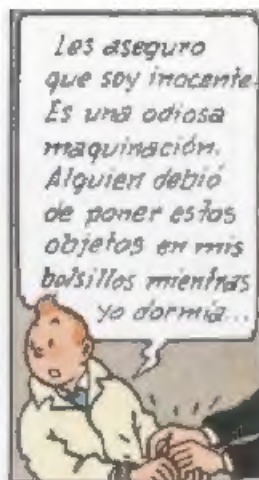

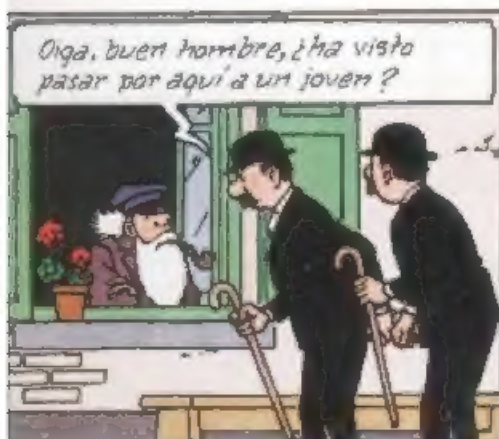

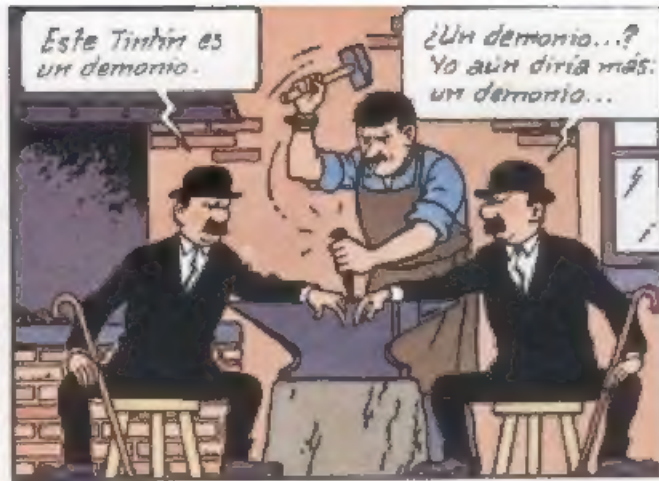

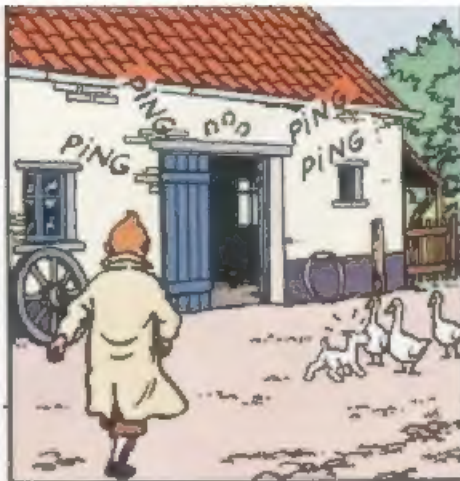

LA ISLA NEGRA

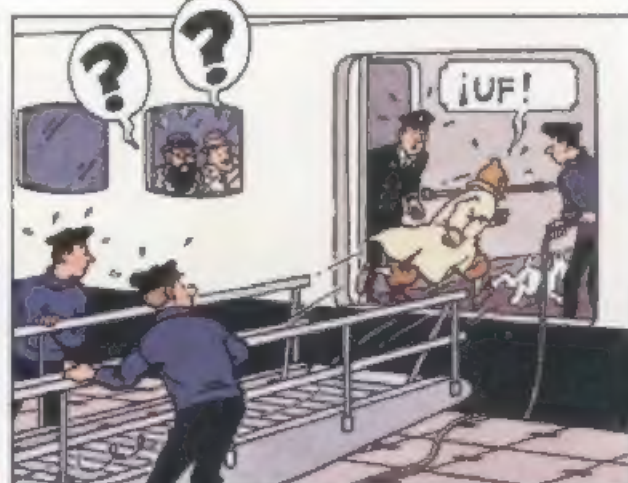

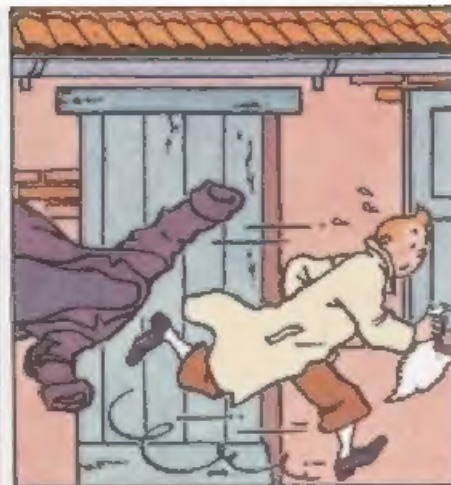

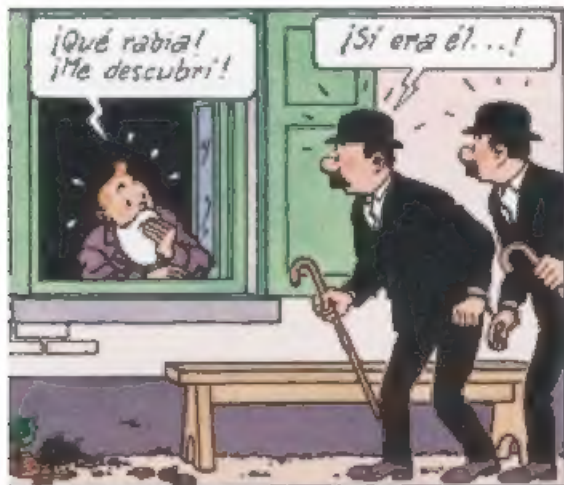

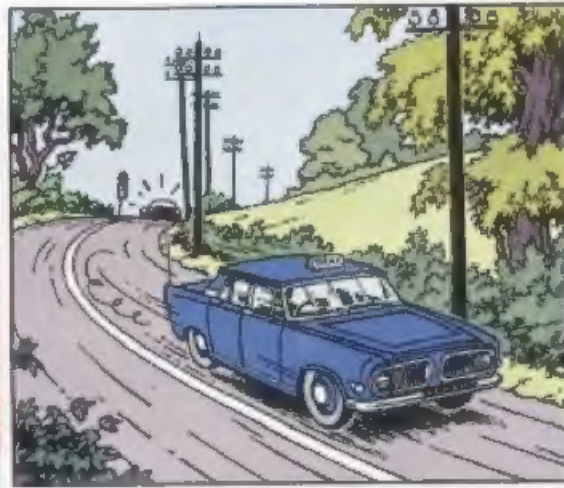

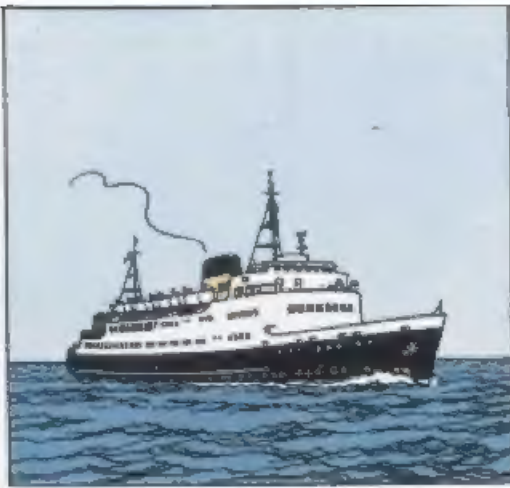

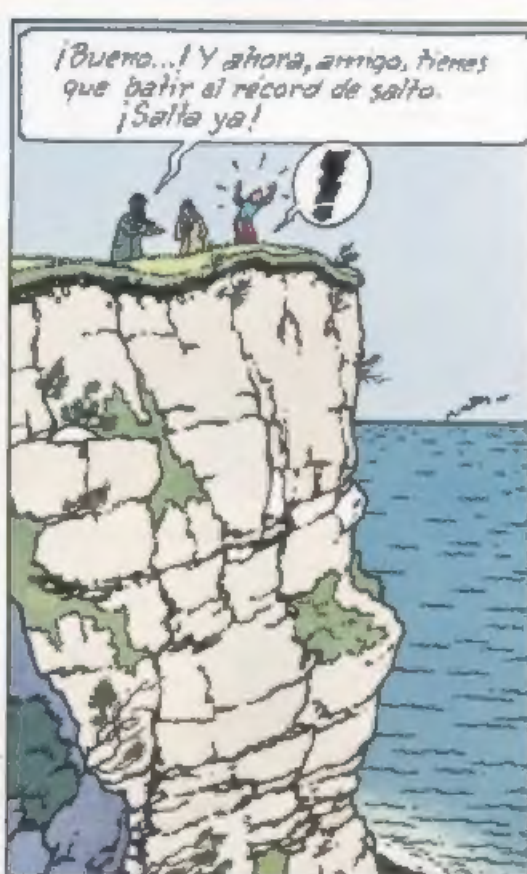

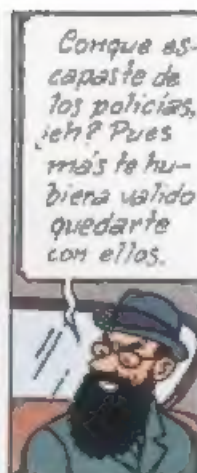

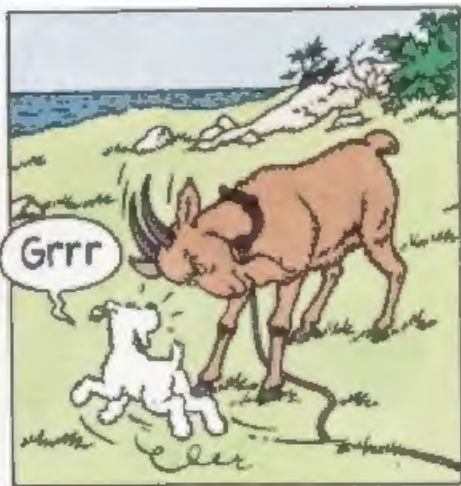

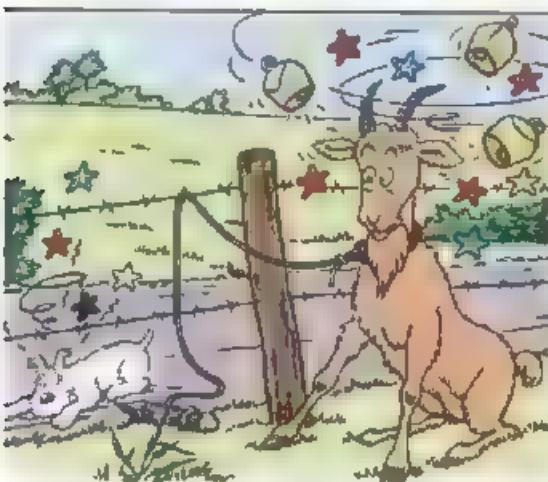

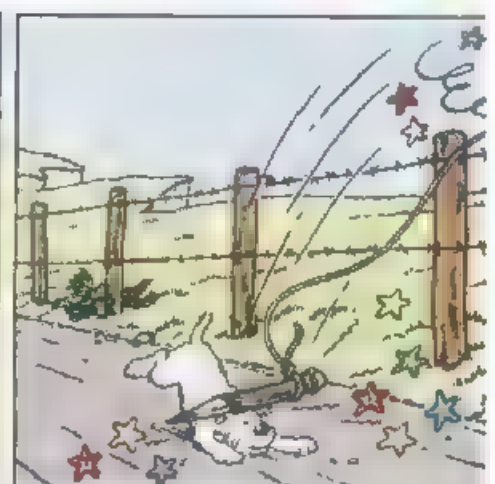

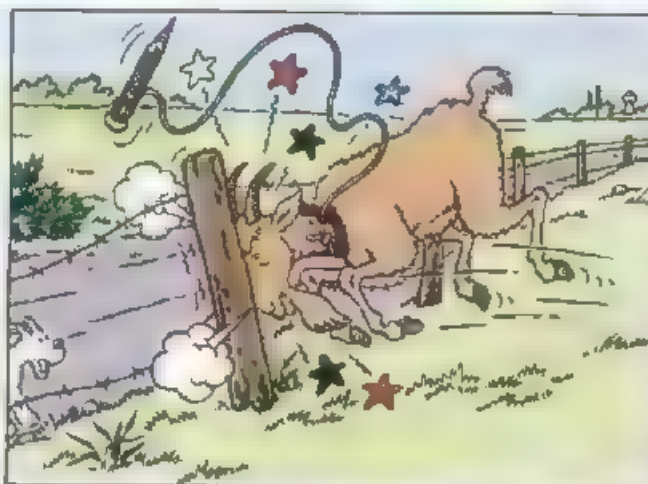

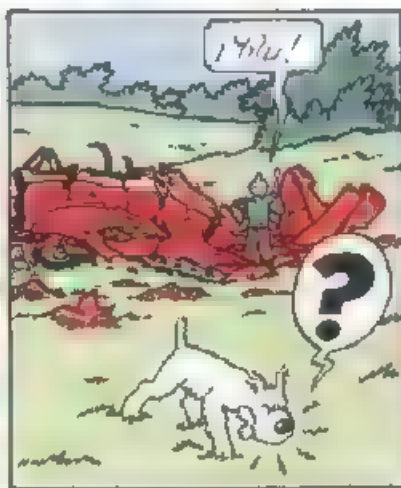

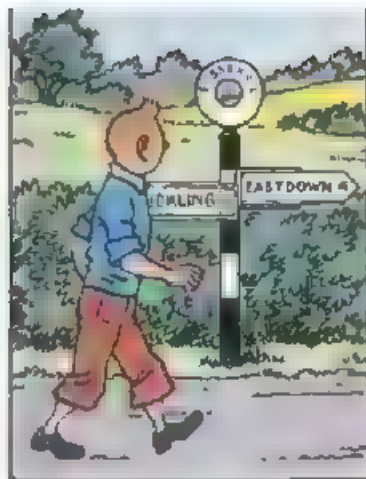

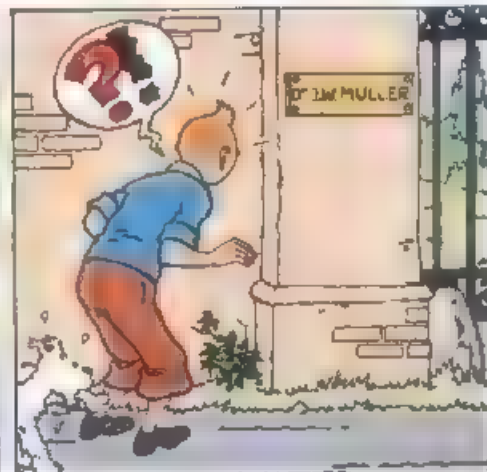

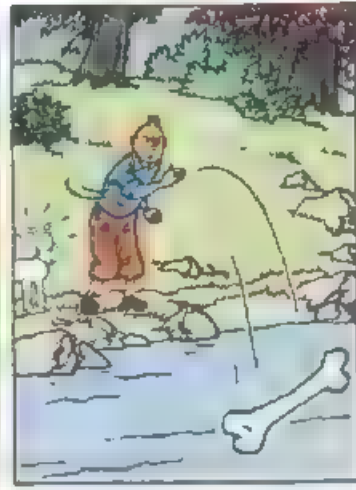

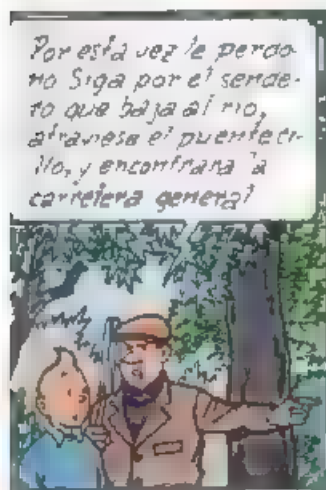

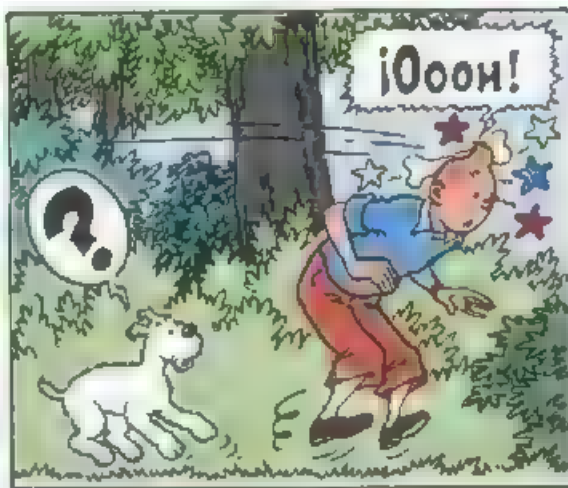

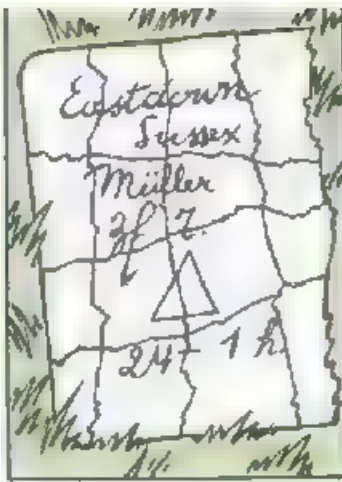

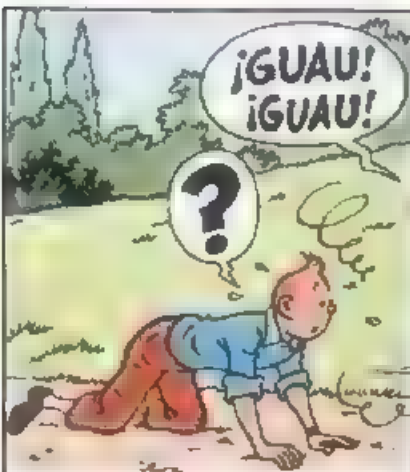

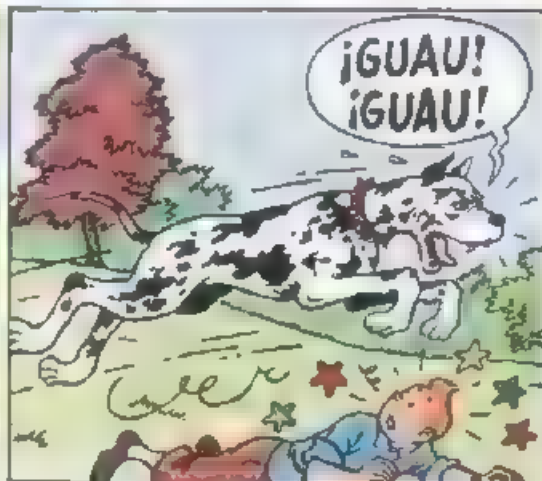

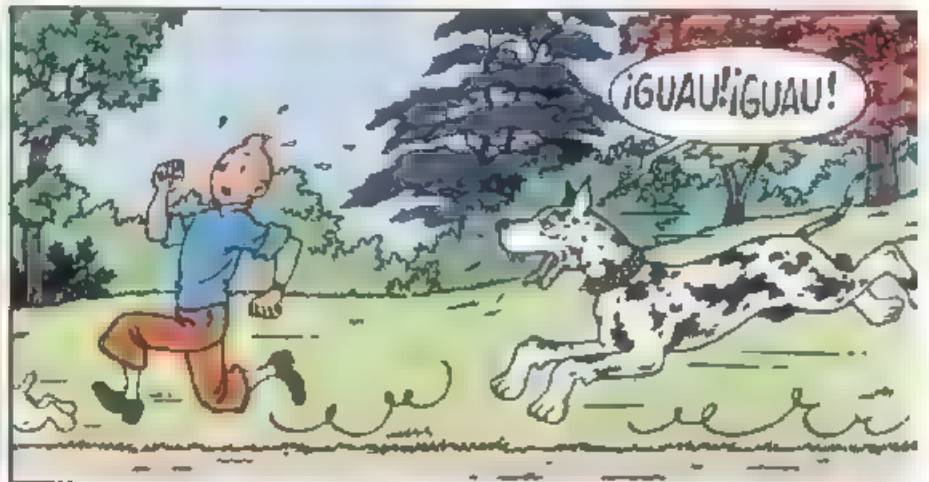

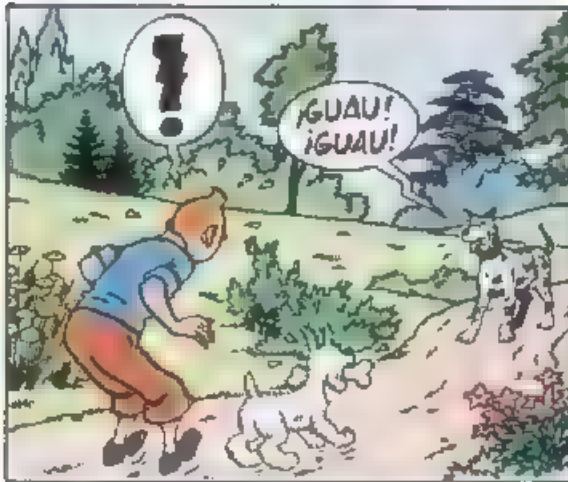

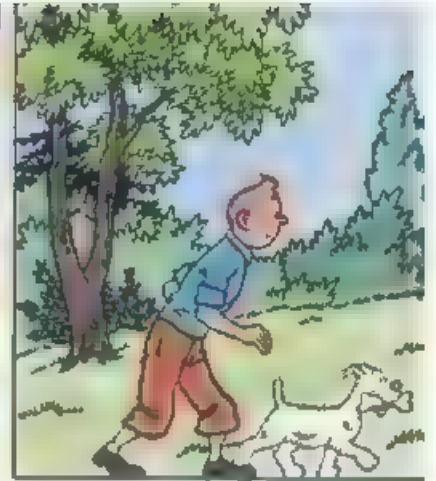

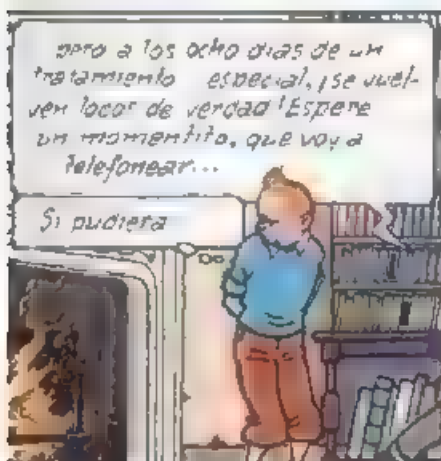

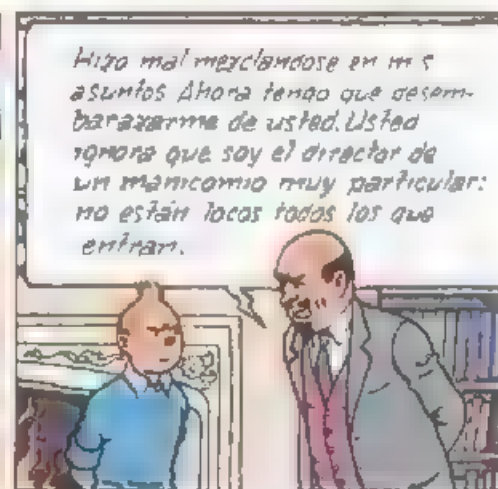

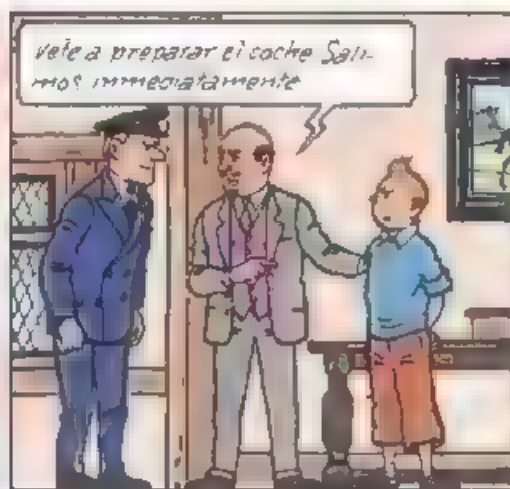

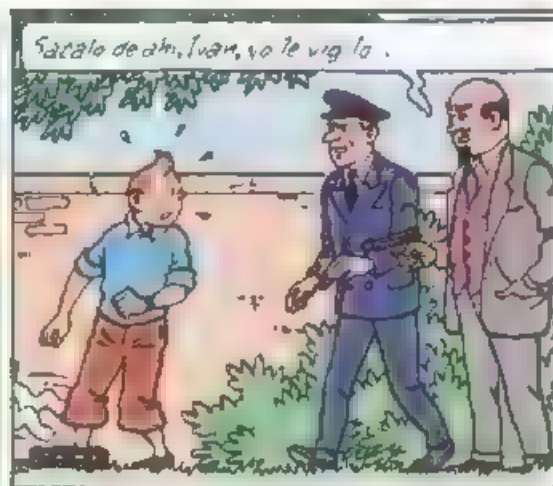

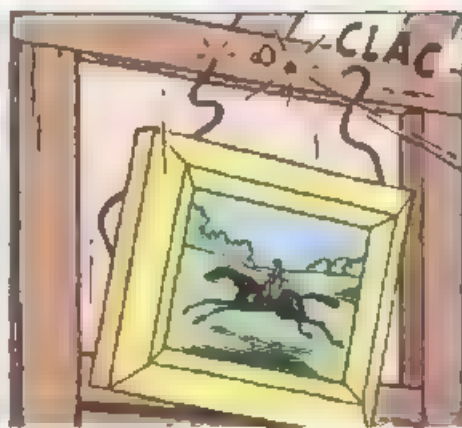

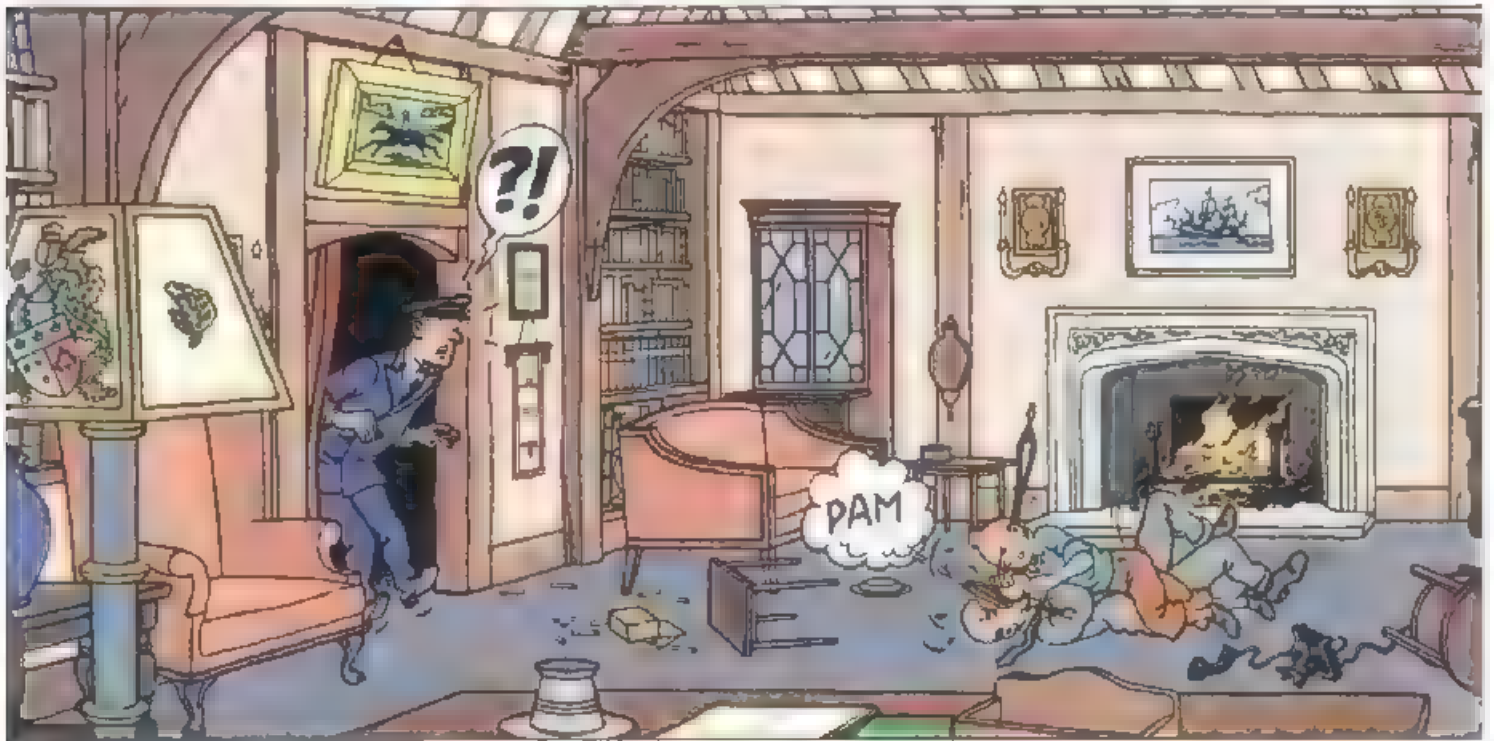

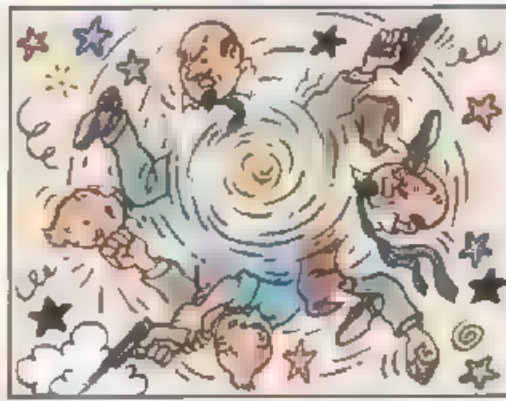

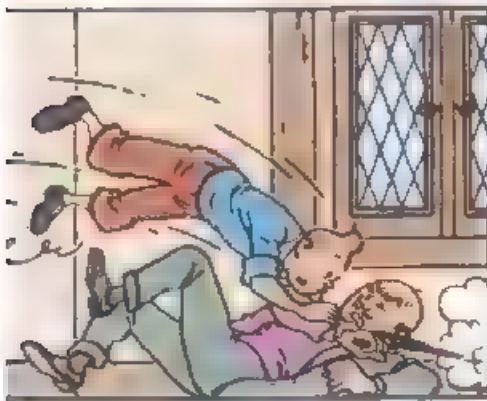

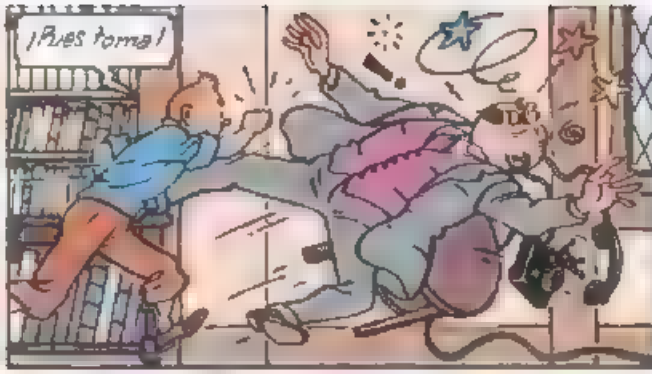

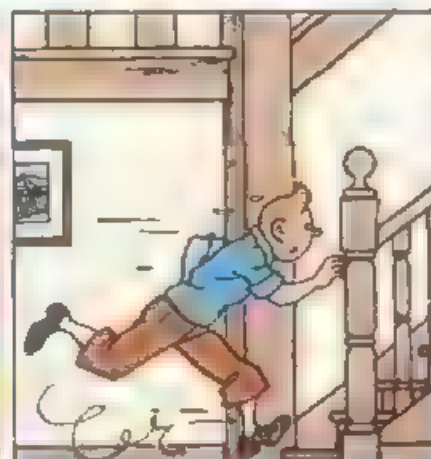

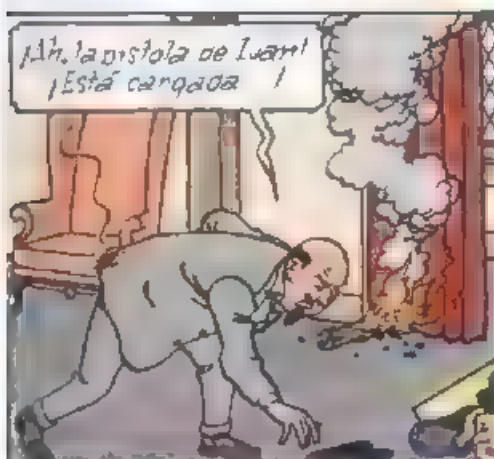

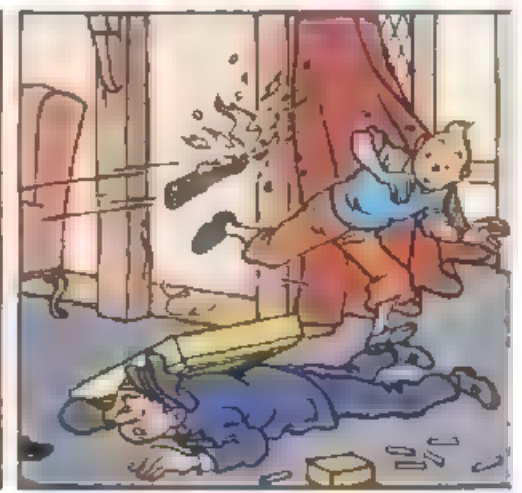

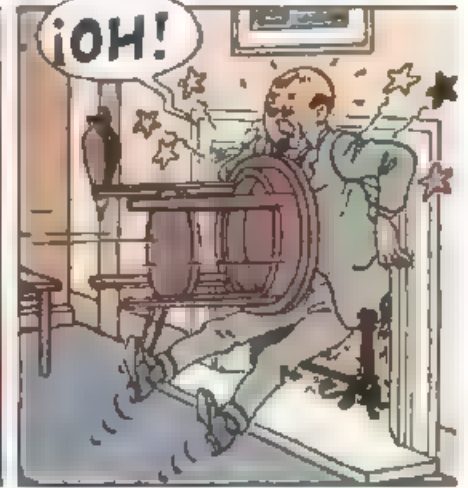

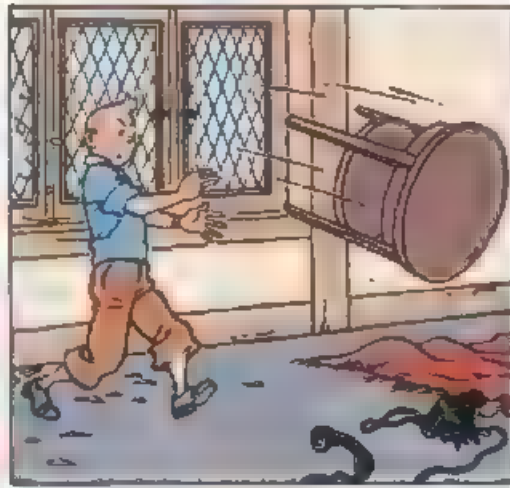

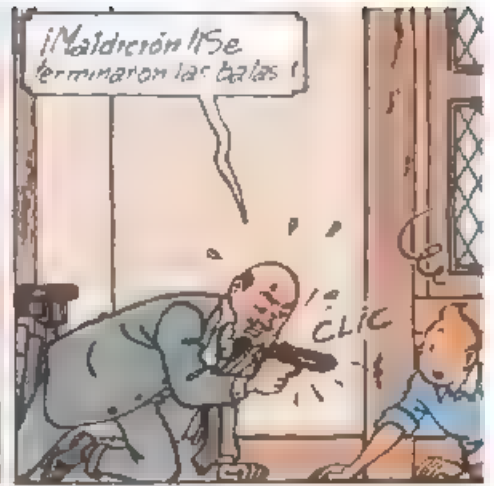

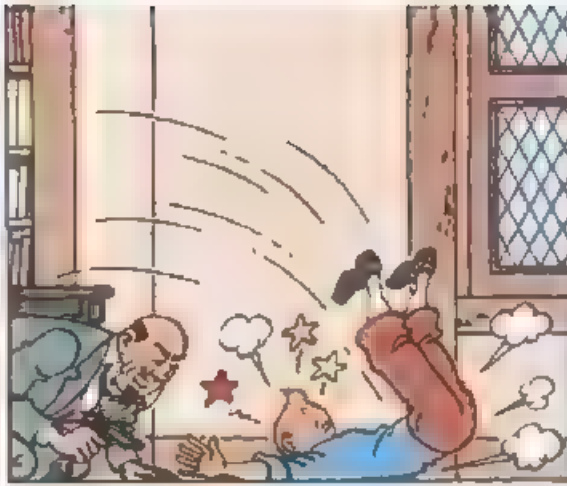

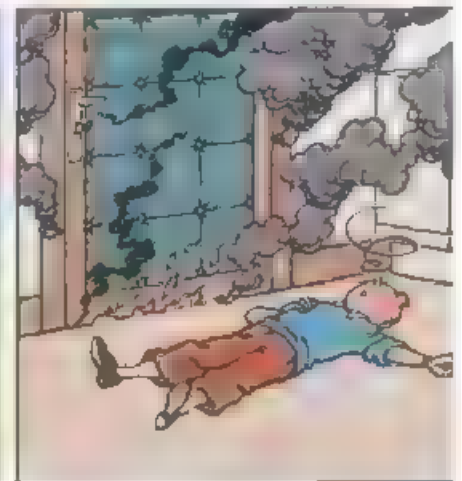

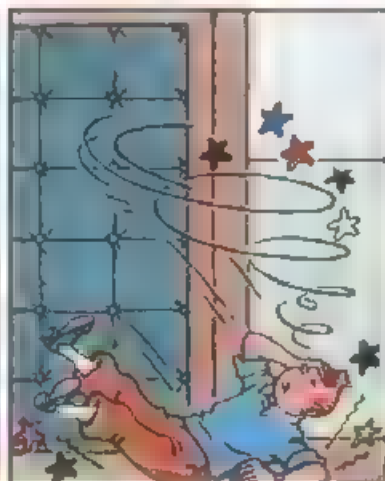

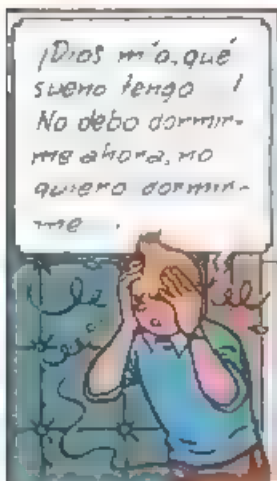

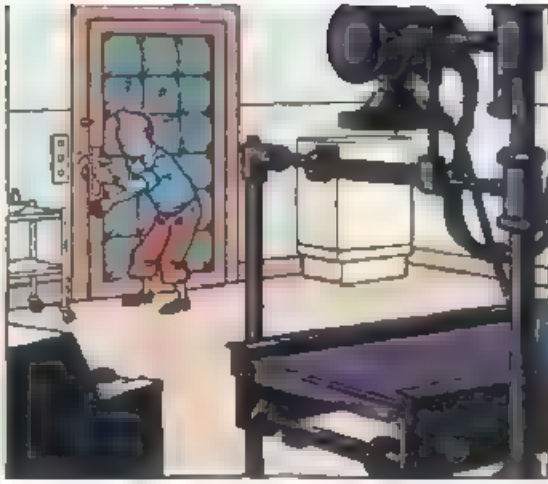

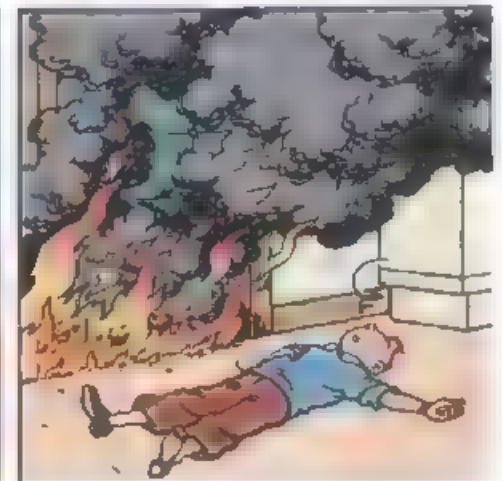

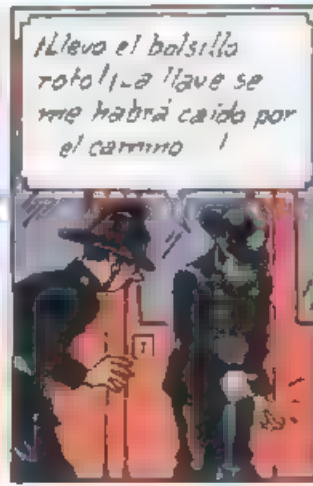

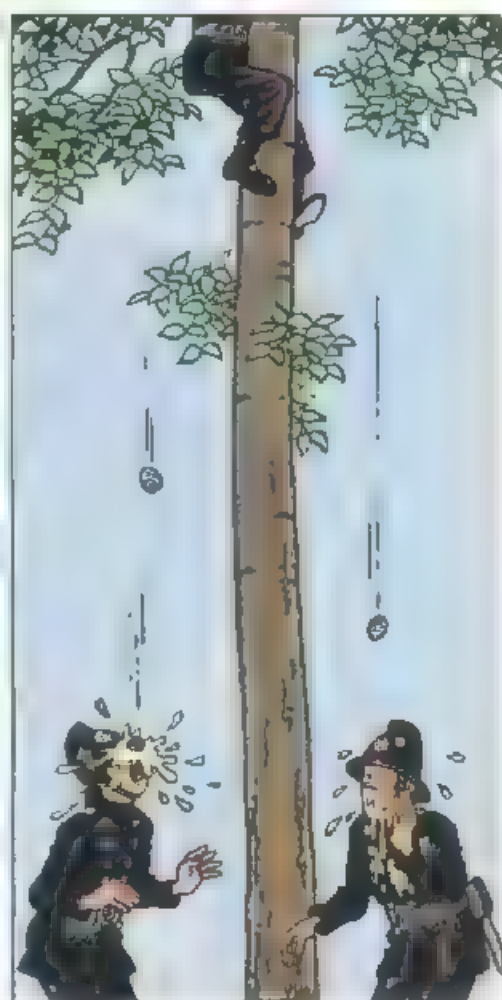

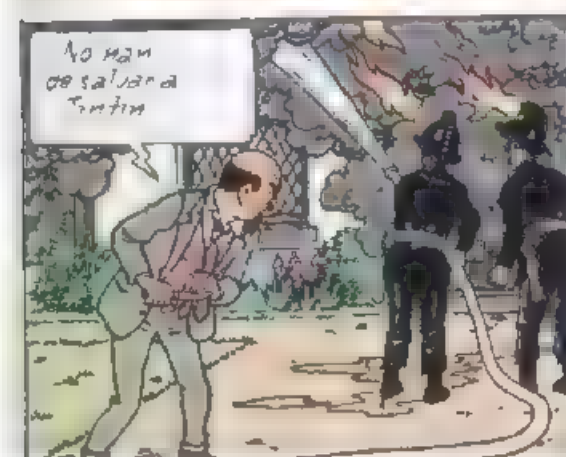

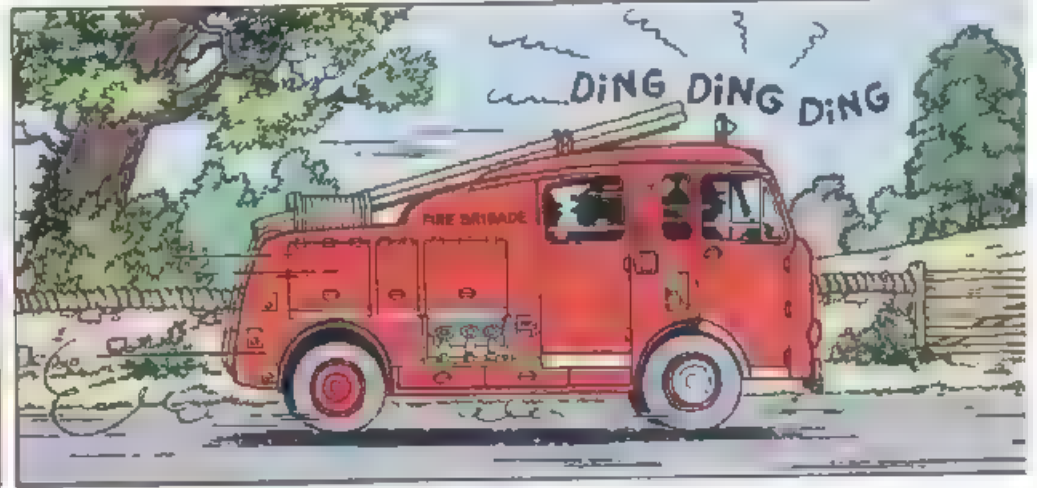

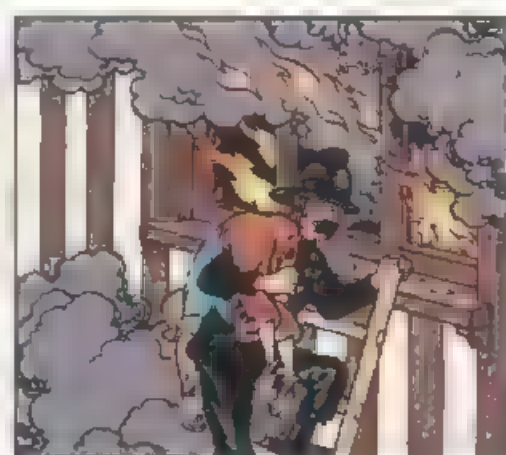

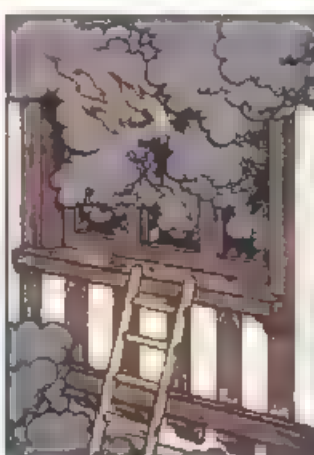

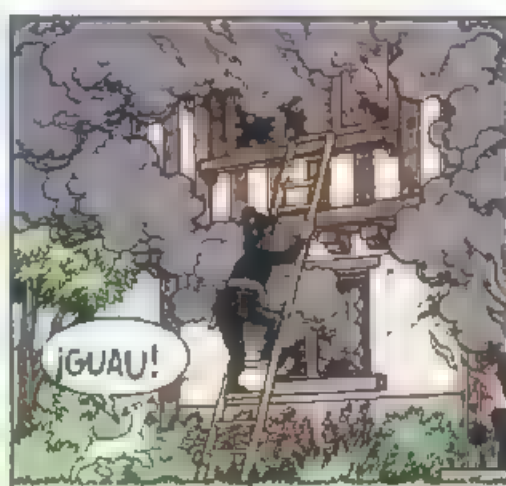

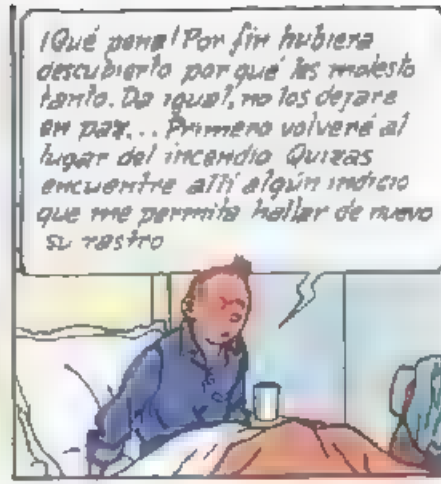

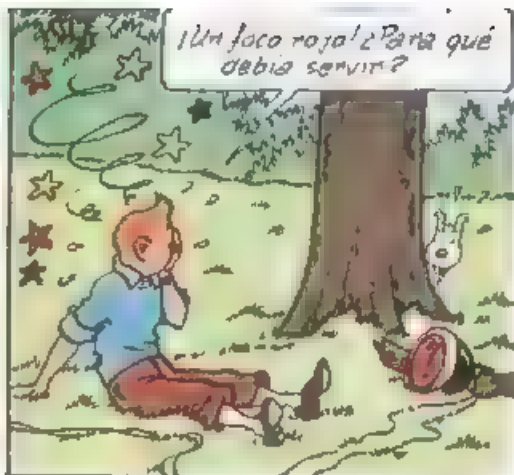

¡Oye, fíjate! ¿Se va a seguir con esto mucho rato?

De acuerdo, patrón

¡Mire usted ahí, patrón! Los focos están encendidos!

¡Alguien vio la llegada del avión!
No conviene que echen los sacos
¡Se descubriría todo. ¡Hay que
apagar los focos...! ¡Cortemos el
hilo...! ¡De prisa!

Pero pero ¡los faros
siguen encendidos!

¿Vendría el avión
esta noche?

Poco a poco
los tres focos
están encendidos

¡El avión está ahí!
¿Que hacemos?

¡Ahí va uno!

Ha dejado caer
algo.

vamos a ver

¡Caramba! ¡Si es Timón...!

¡Ahí va el segundo!

¡Otra vez!

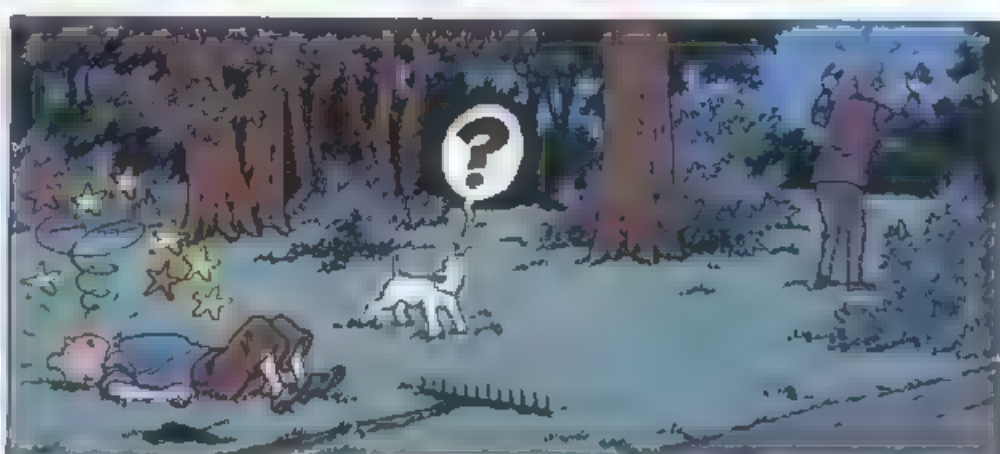

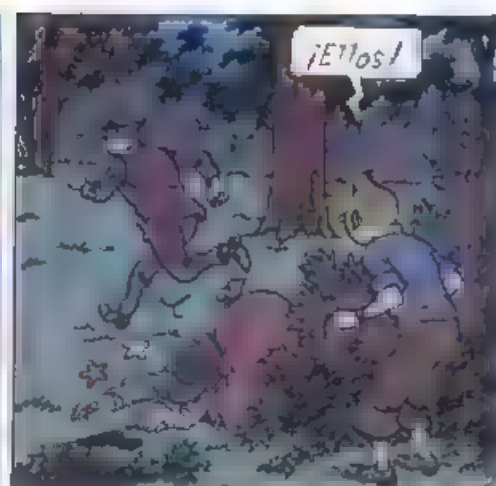

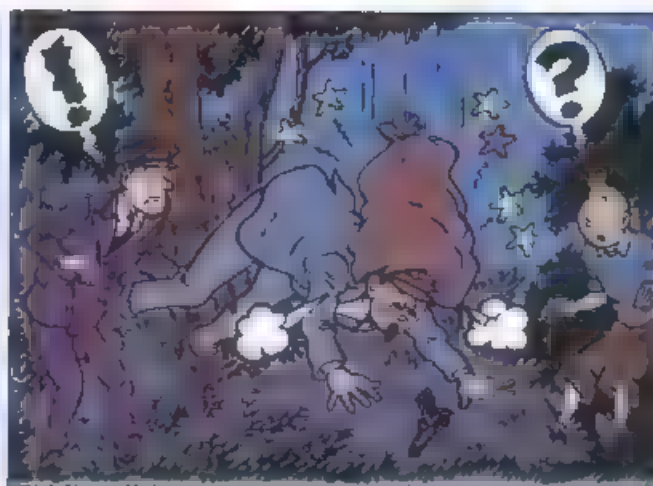

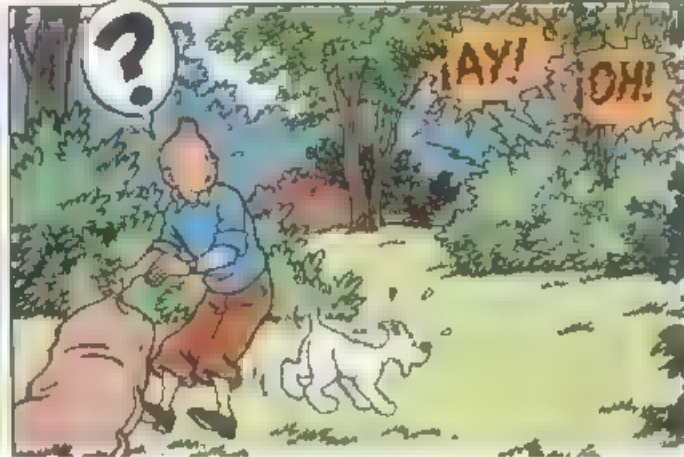

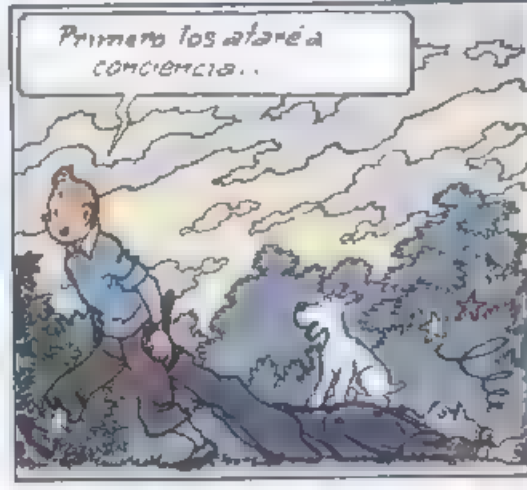

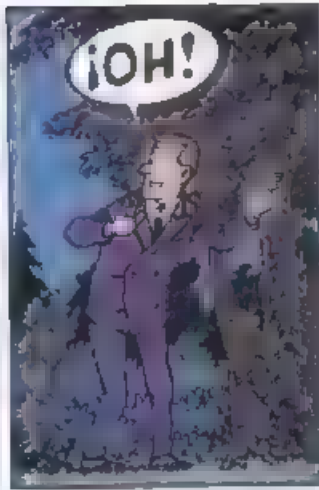

¡Este ha debido de caer
muy cerca de aquí!
Lo encontraré más
fácilmente que el otro

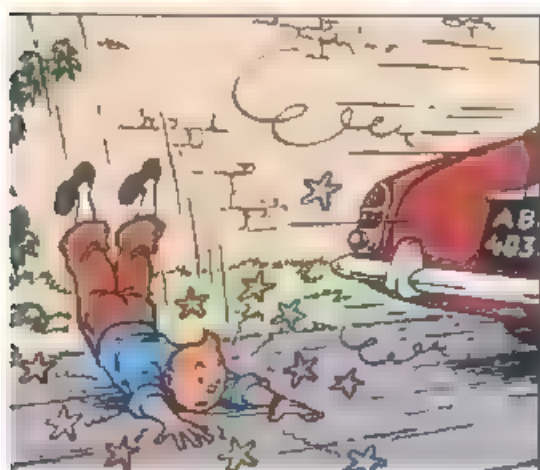

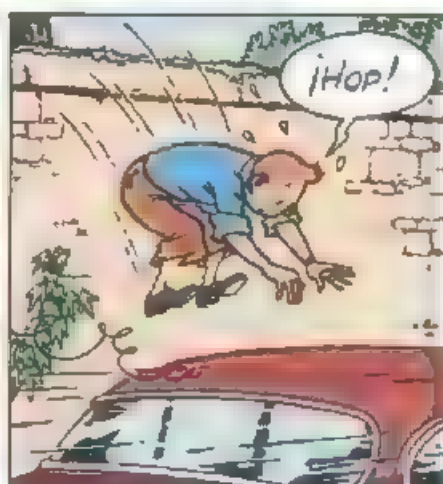

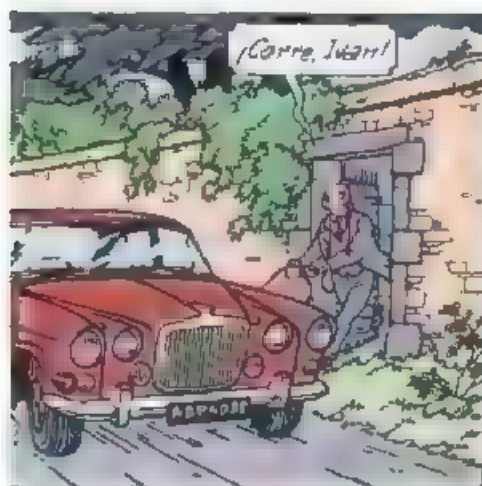

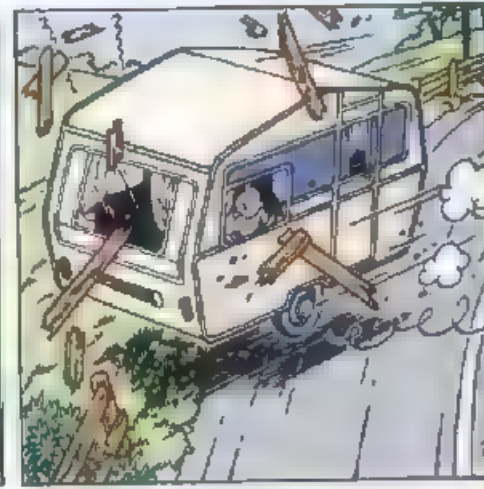

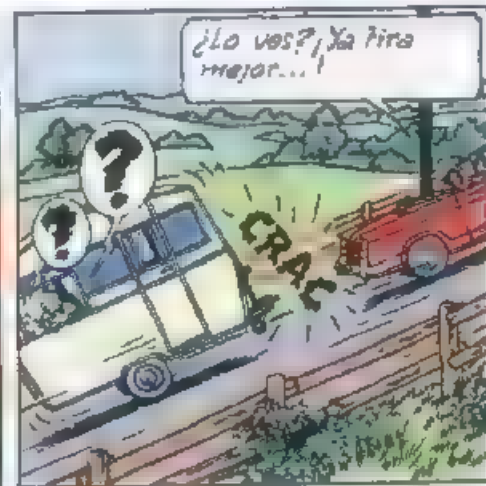

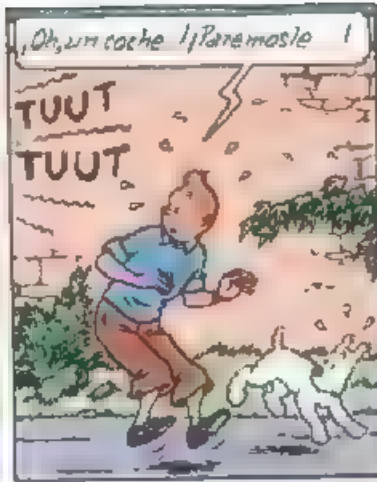

¡Por fin sabré de
que se trata!

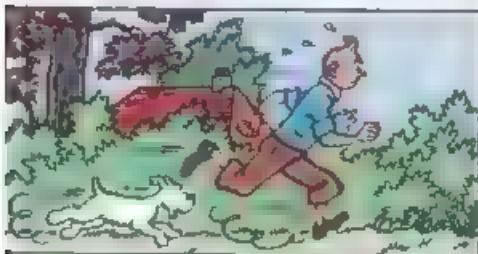

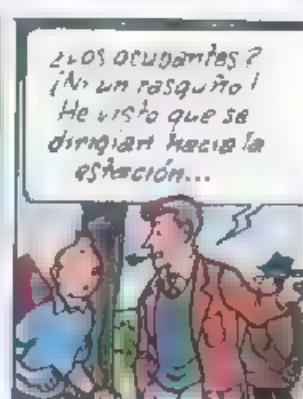

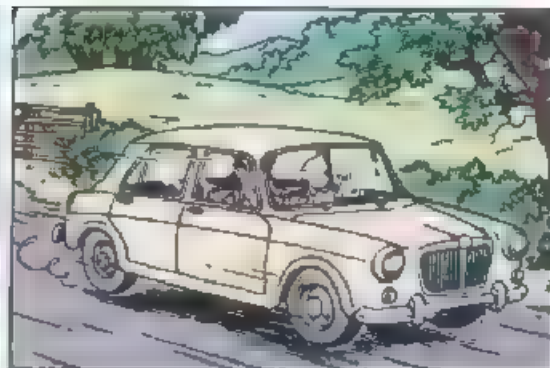

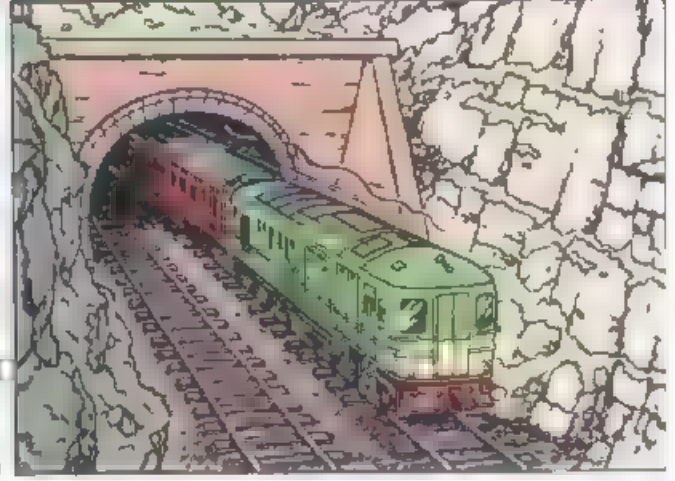

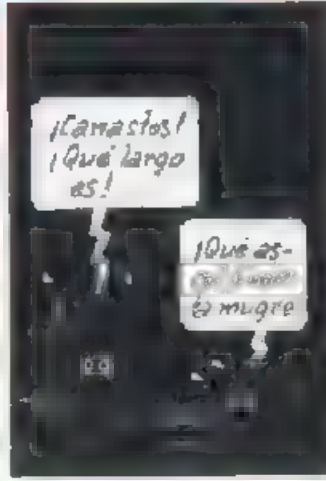

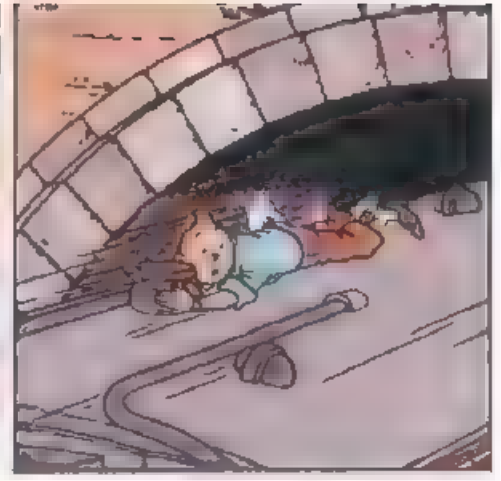

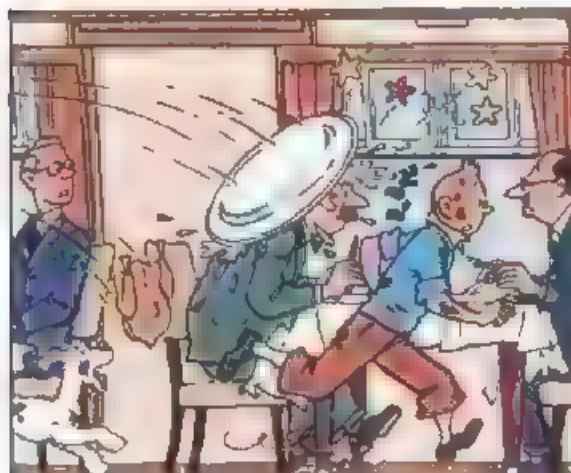

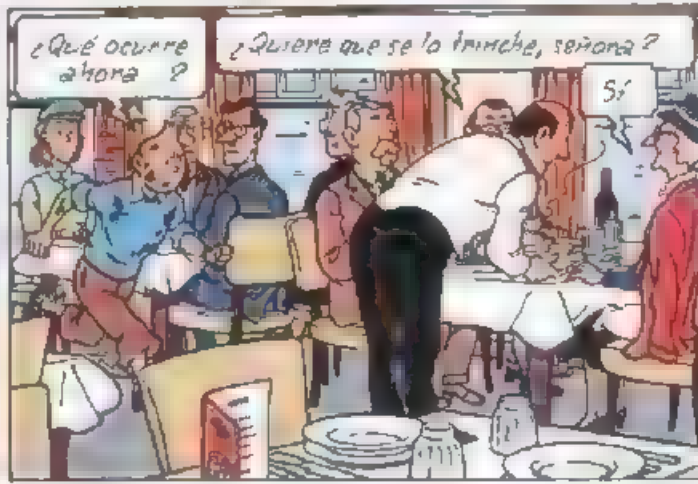

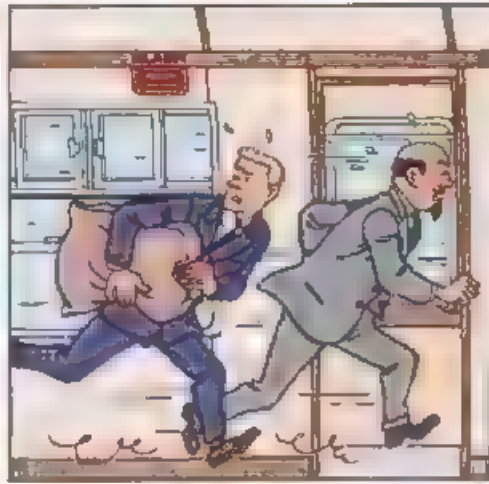

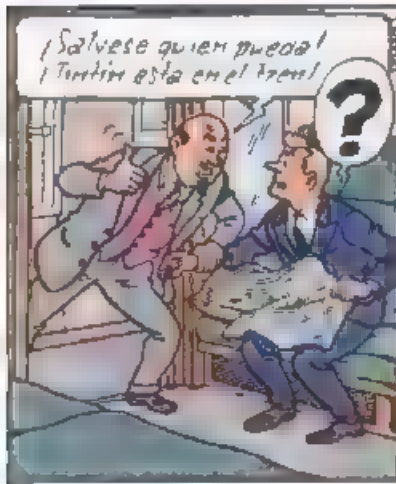

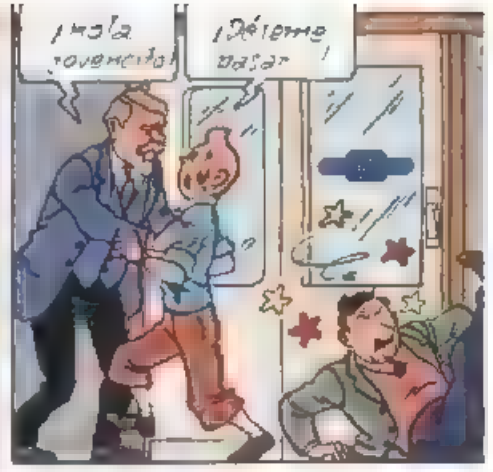

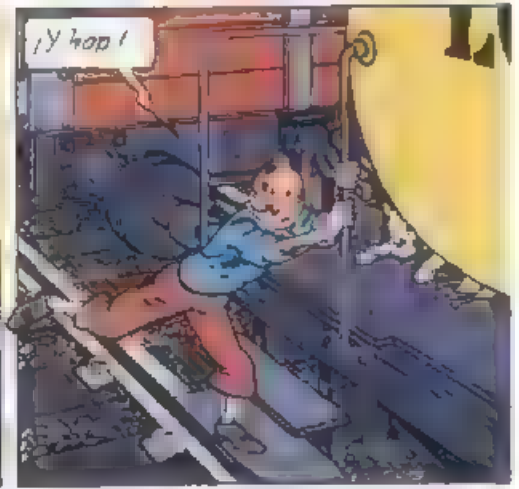

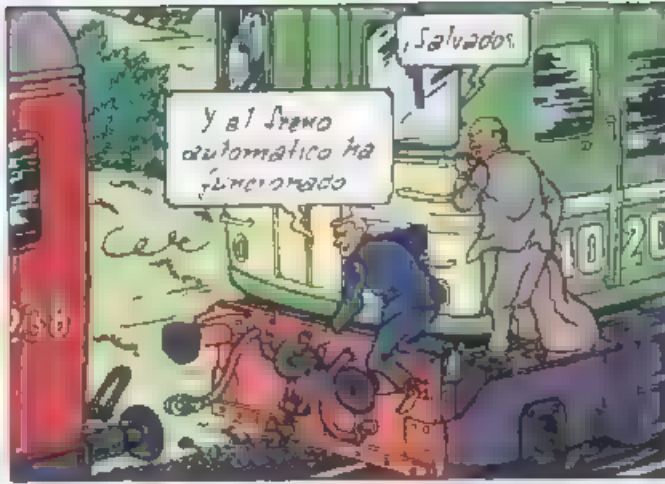

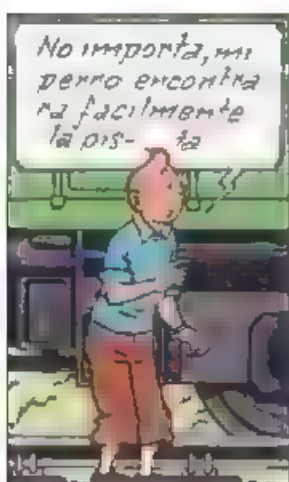

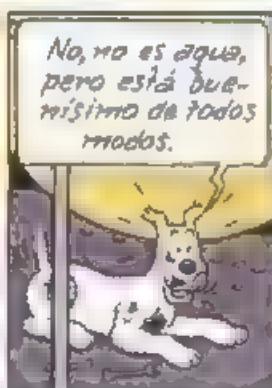

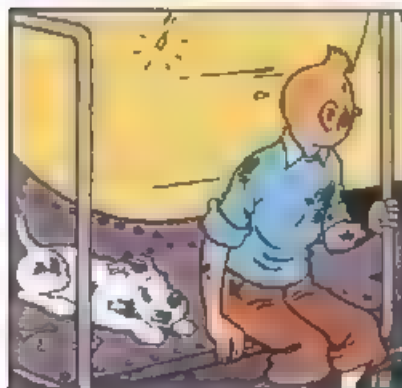

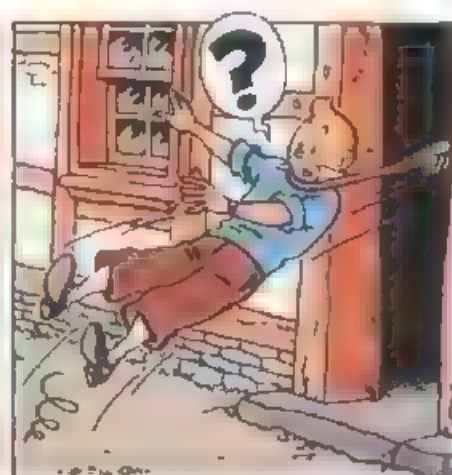

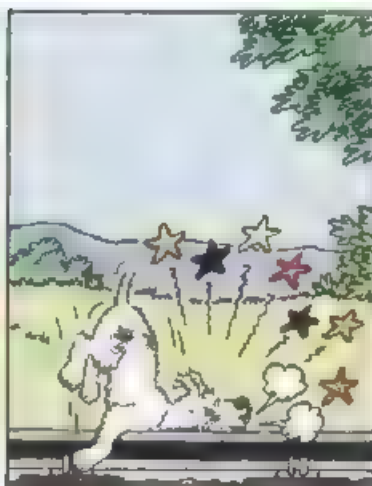

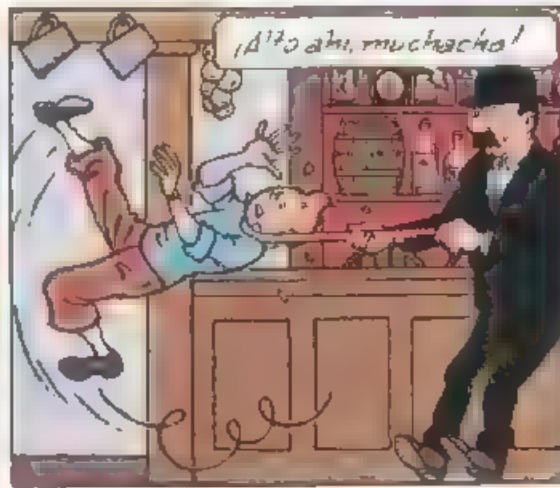

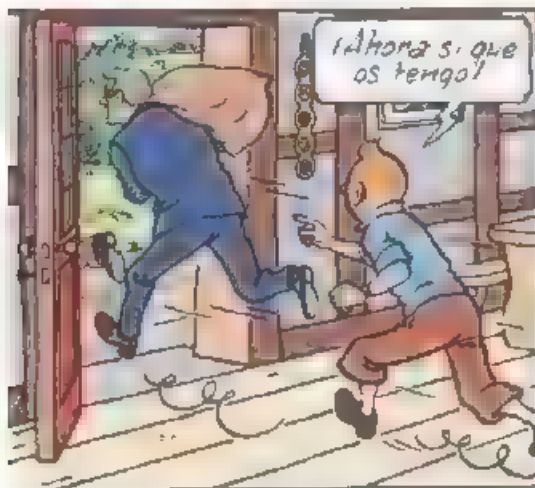

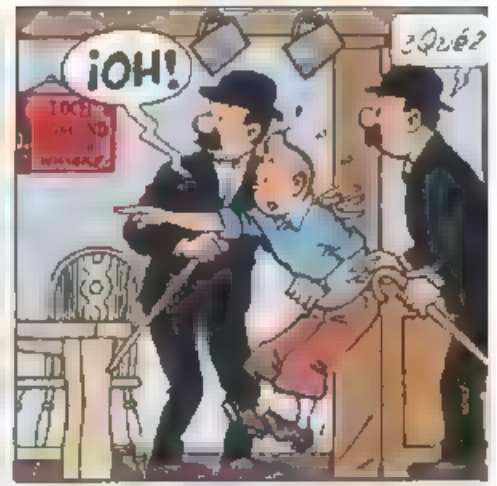

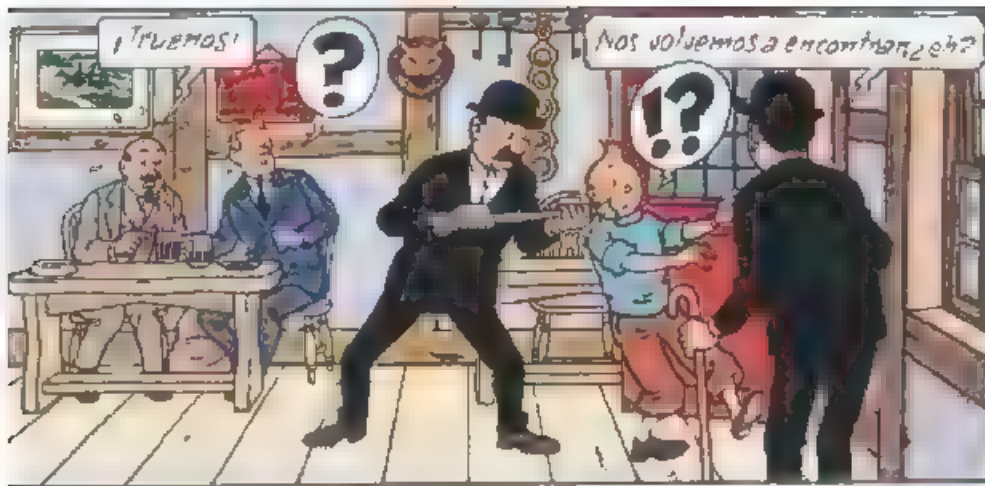

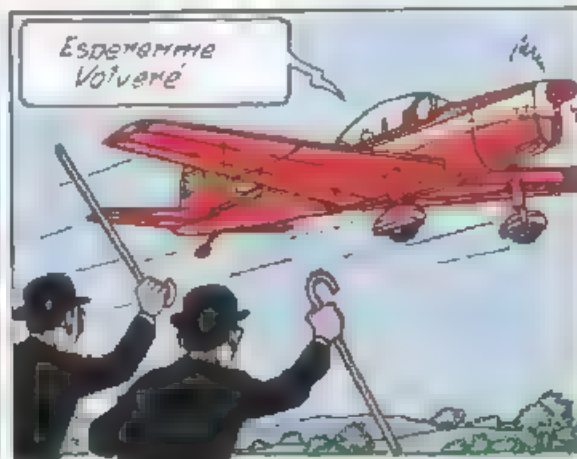

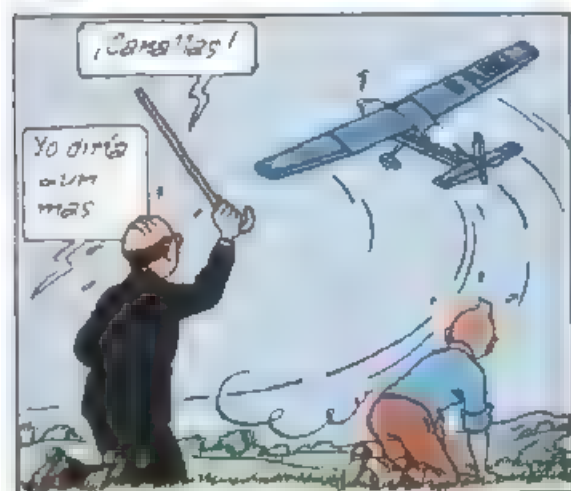

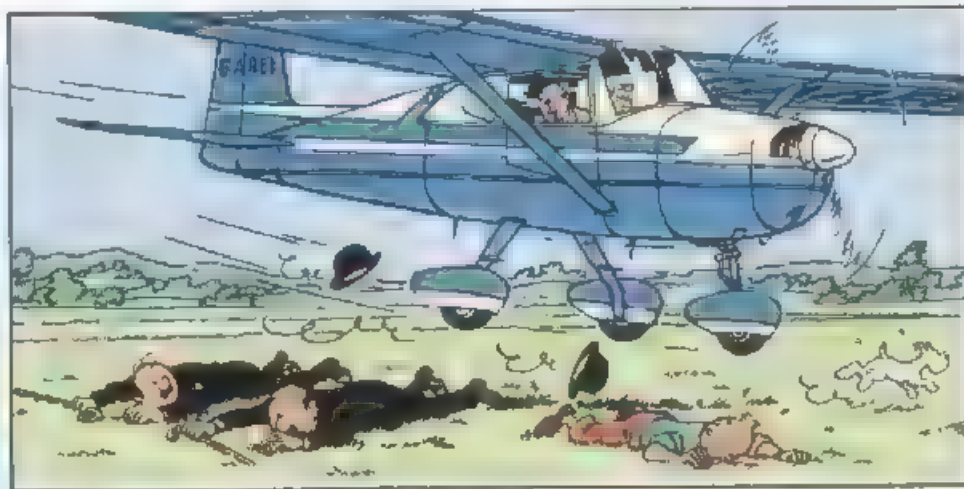

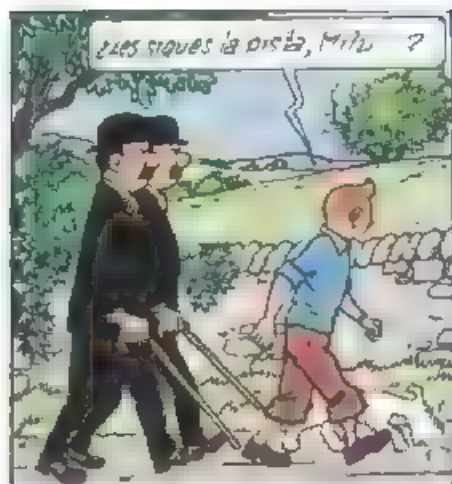

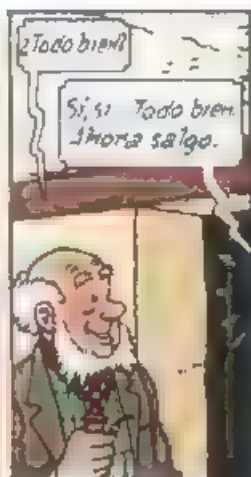

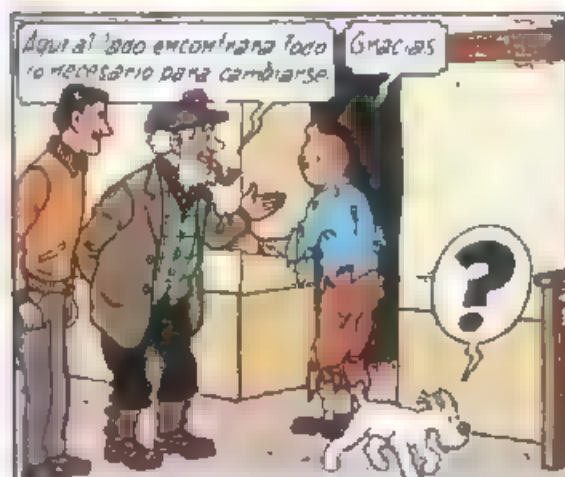

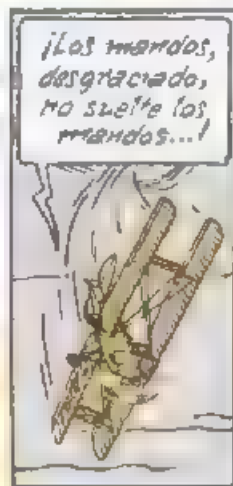

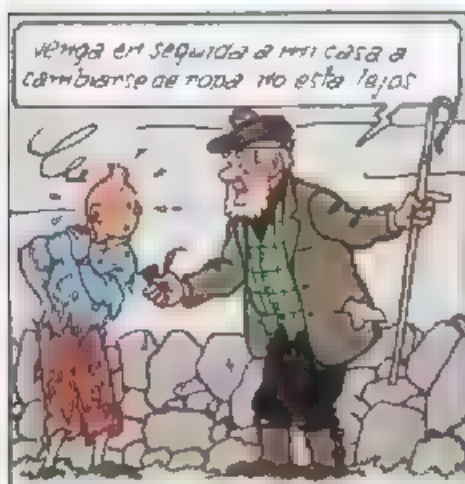

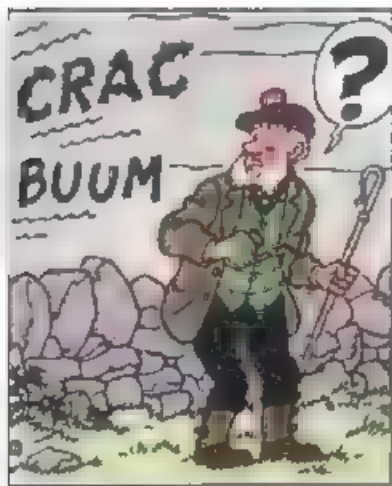

¡Miu! ¡Ya te he oído otra vez!

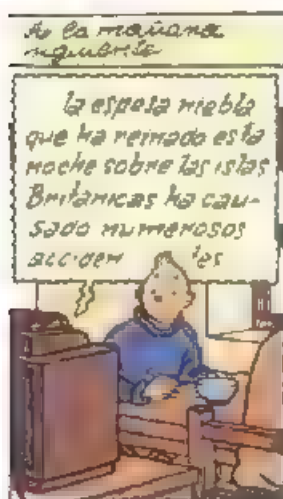

Creo que esa sería la mejor solución

Y si esto se repite, ya veremos lo que hacemos

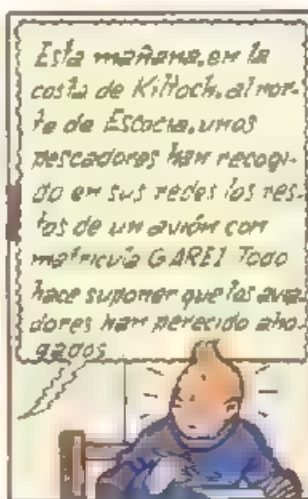

Está anocheciendo y nuestro amigo nos propone que pasemos la noche aquí.

Recomiendo la hospitalidad escocesa y acepto con mucho gusto, señor.

A la mañana siguiente

la espesa niebla que ha reinado esta noche sobre las islas Británicas ha causado numerosos accidentes

Esta mañana, en la costa de Kiltloch, al norte de Escocia, unos pescadores han recogido en sus redes los restos de un avión con matrícula GAREI. Todo hace suponer que los aviadores han perecido años atrás.

¡GAREI...! Es el avión que nosotros perseguíamos ayer. Se terminó el asunto, puesto que murieron los ocupantes.

Es posible, pero no estoy tan seguro. Quiero ir a Kiltloch.

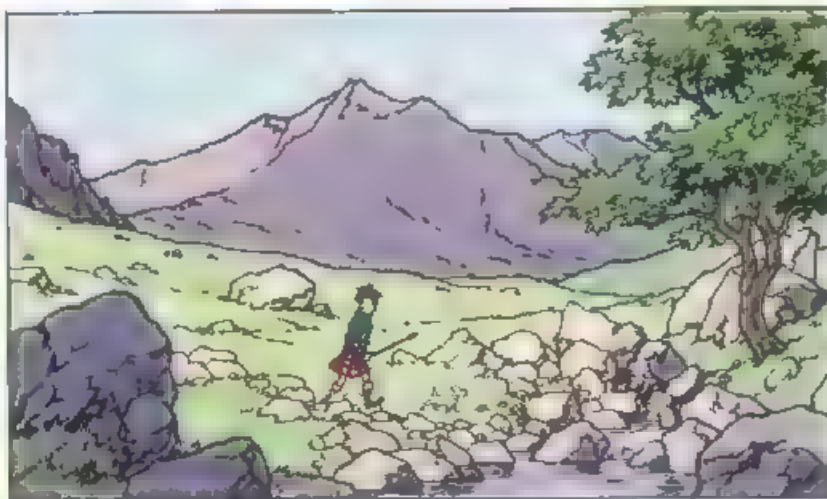

Kiltloch está a unas veinte millas de aquí. Tenga usted cuidado de no perder el camino.

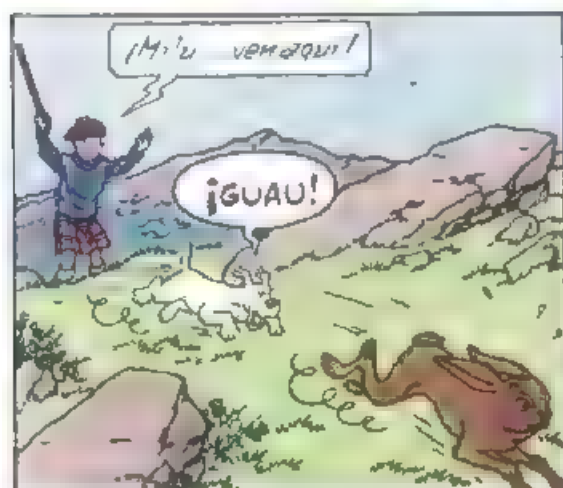

¡All right!

¡Veinte millas es un buen paseo! Llegaremos a Kiltloch por la noche.

!?

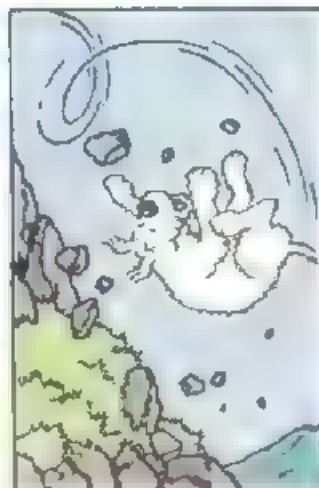

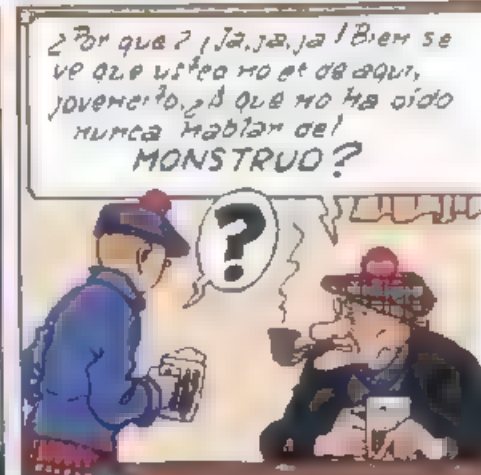

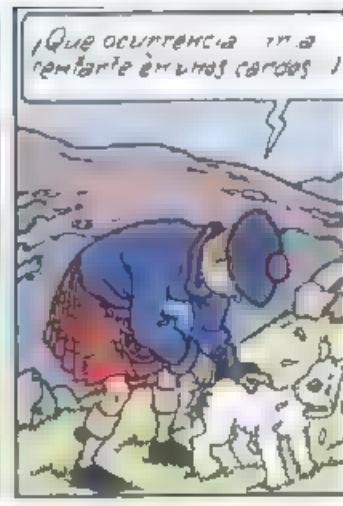

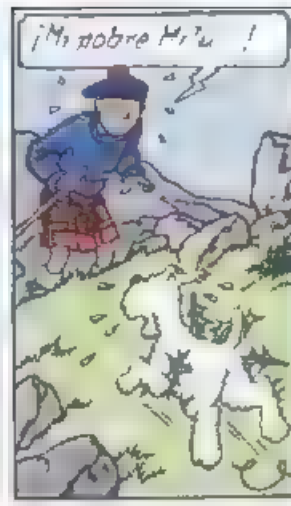

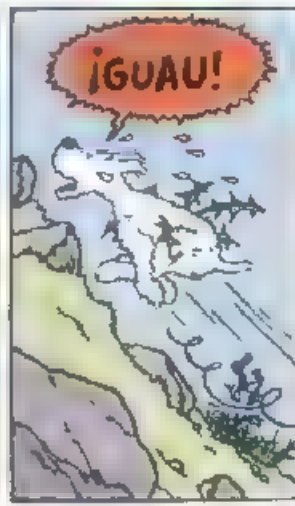

¡Miu! ¡ven aquí!

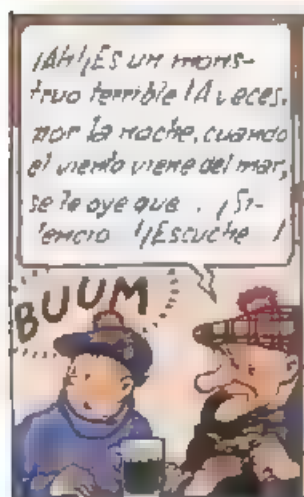

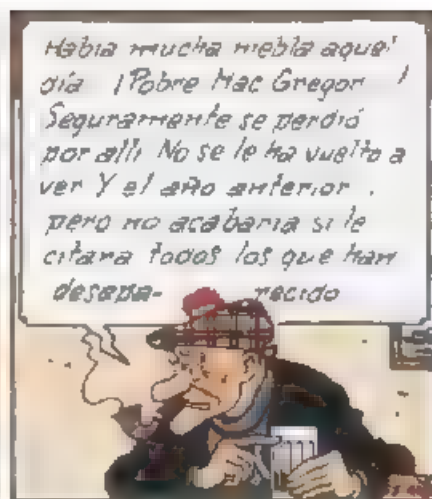

¡GUAAU!

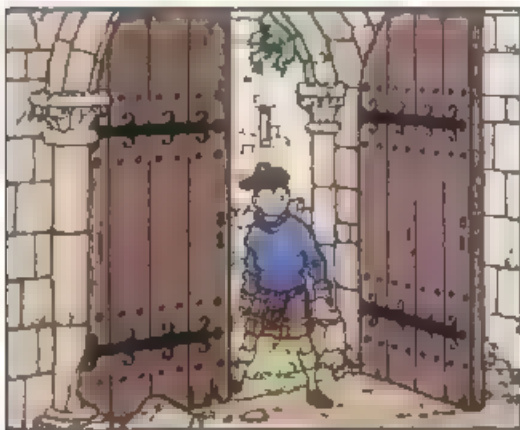

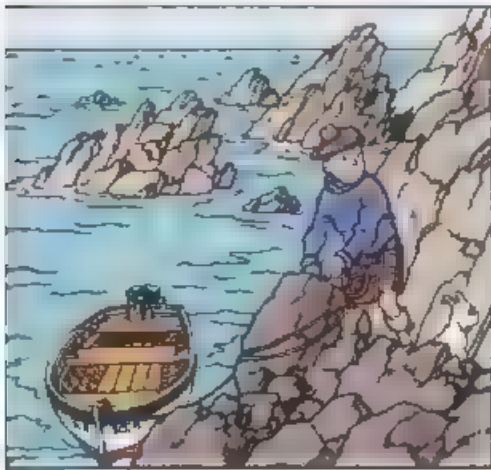

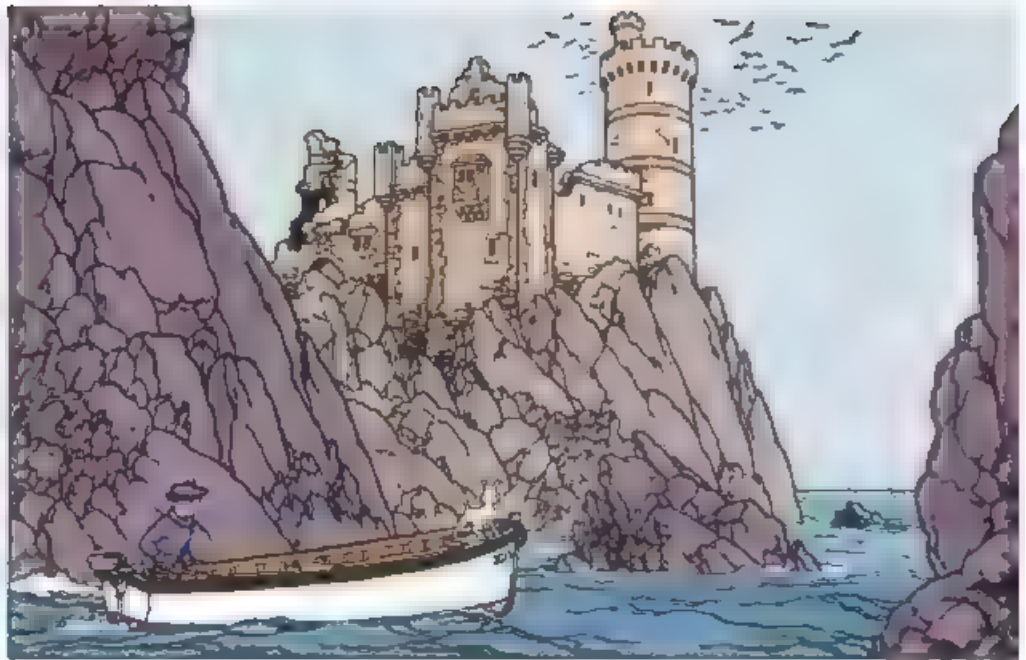

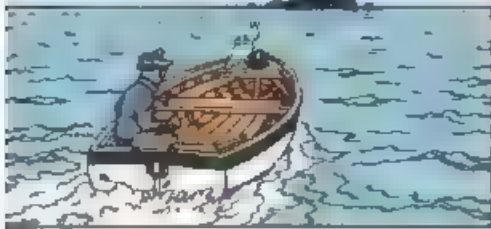

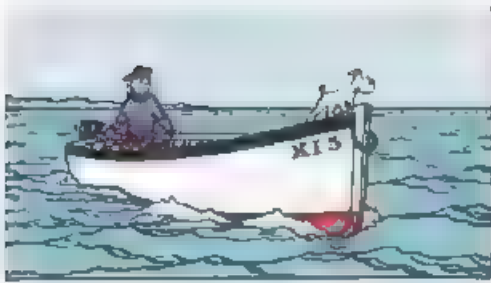

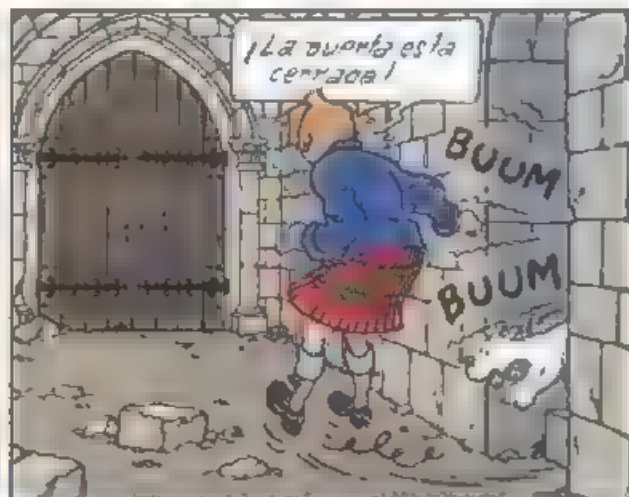

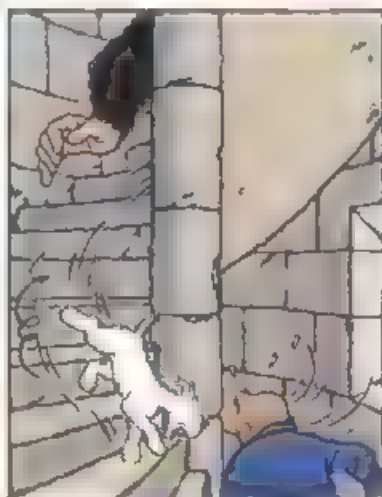

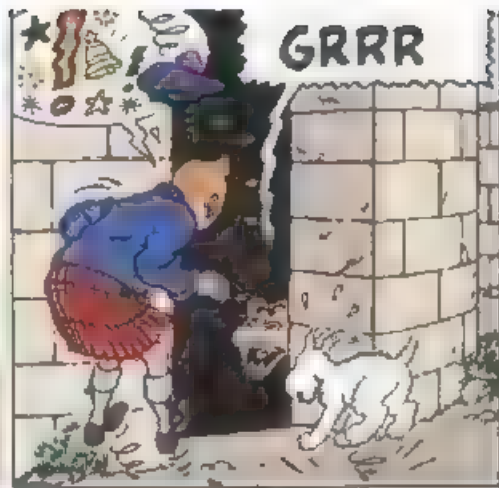

¡GUAAU!
¡GUAAU!

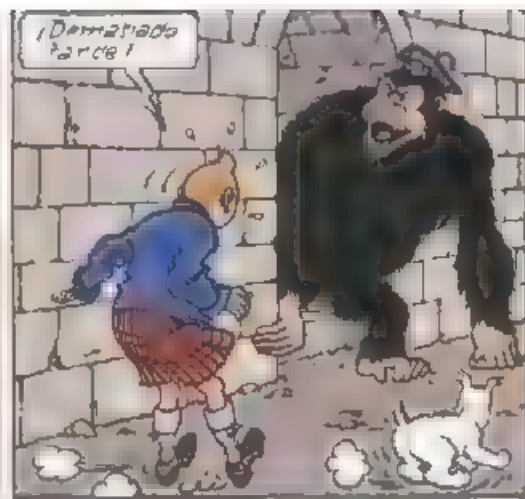

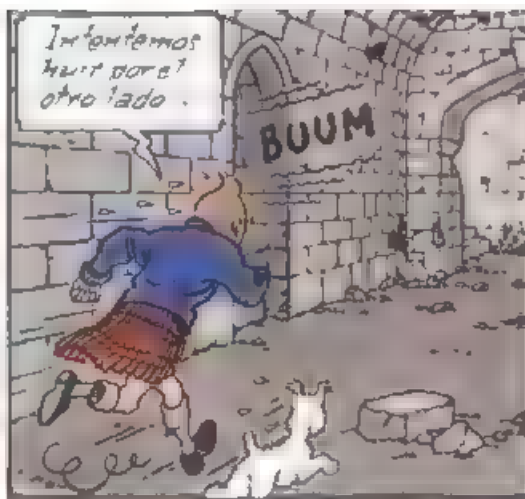

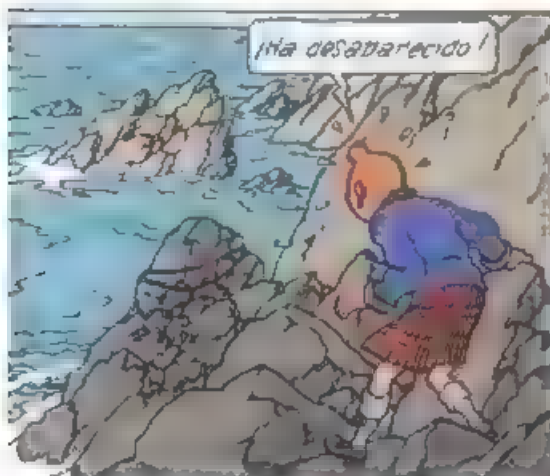

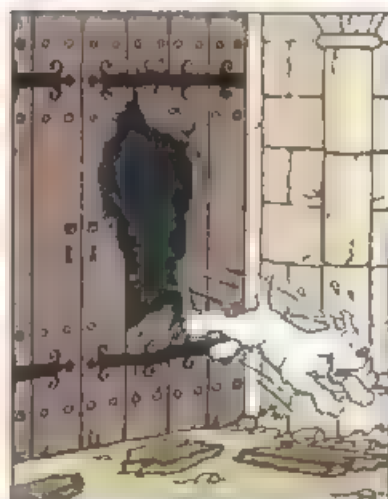

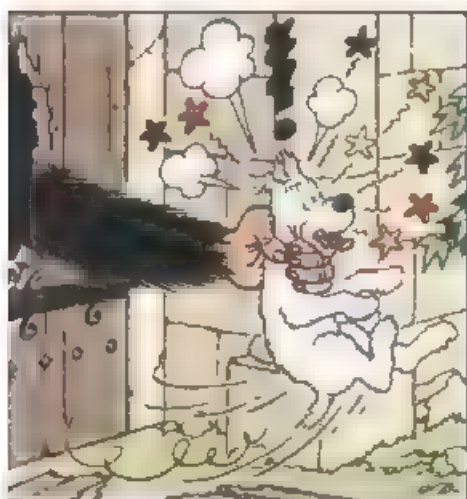

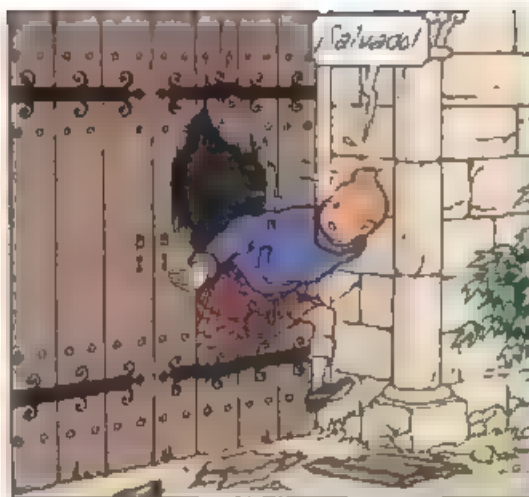

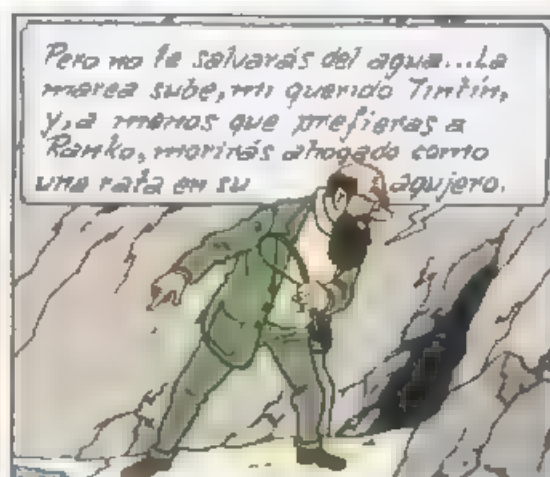

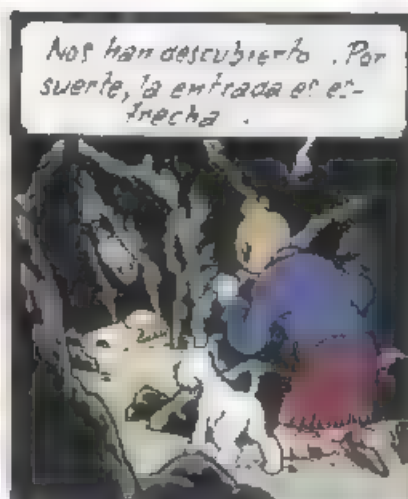

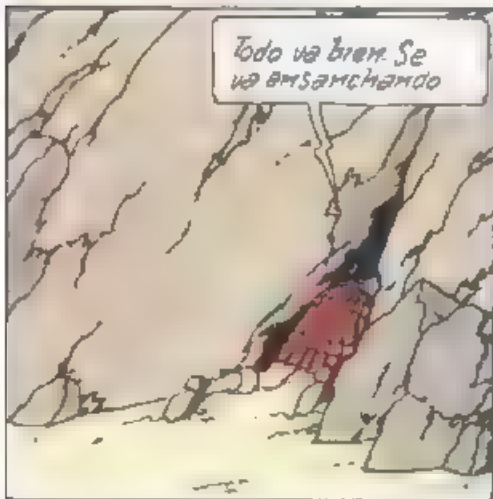

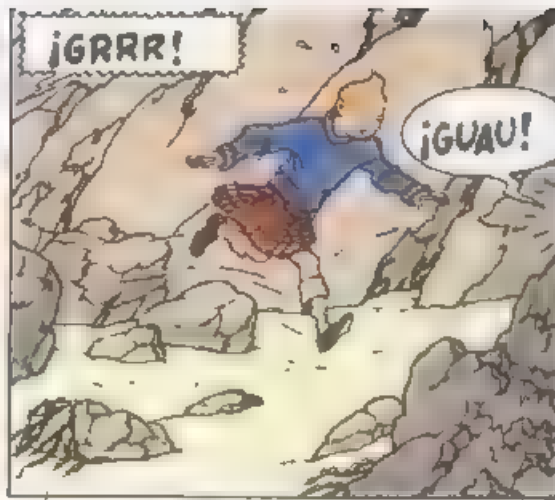

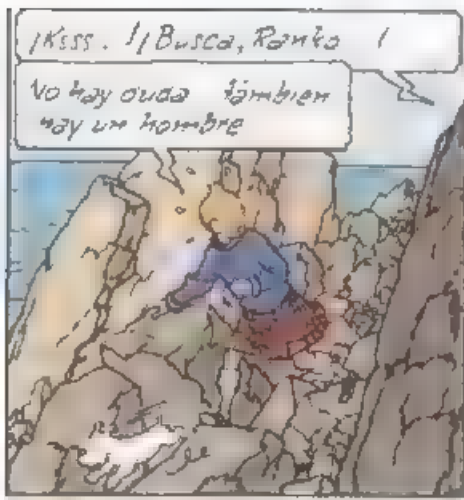

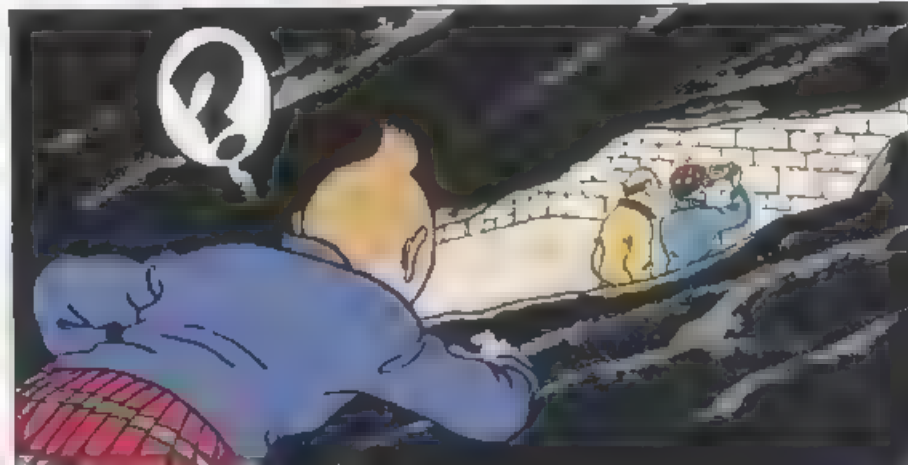

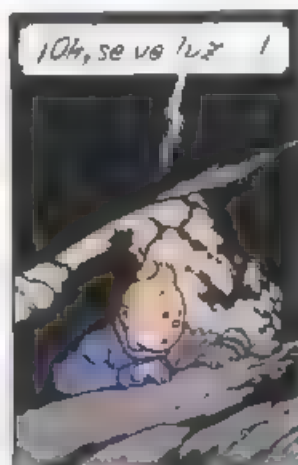

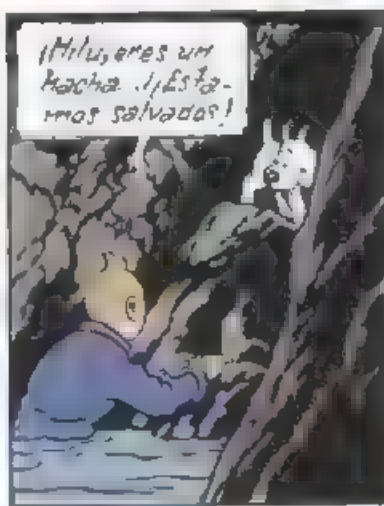

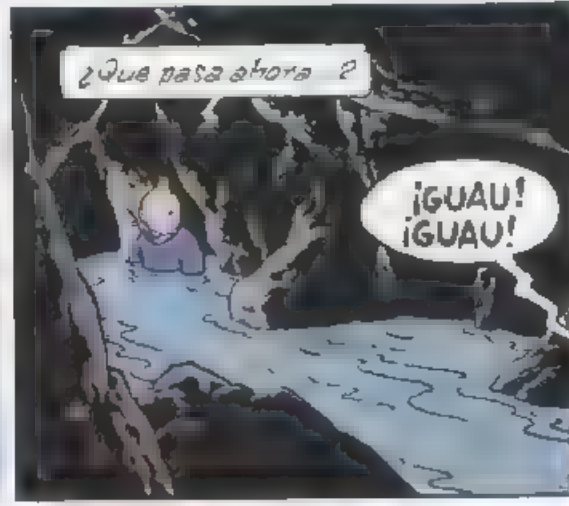

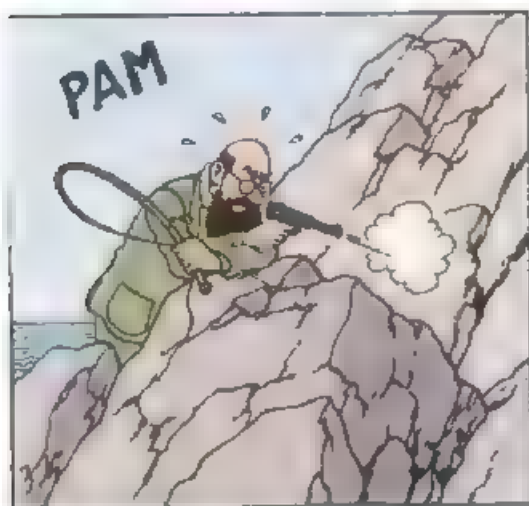

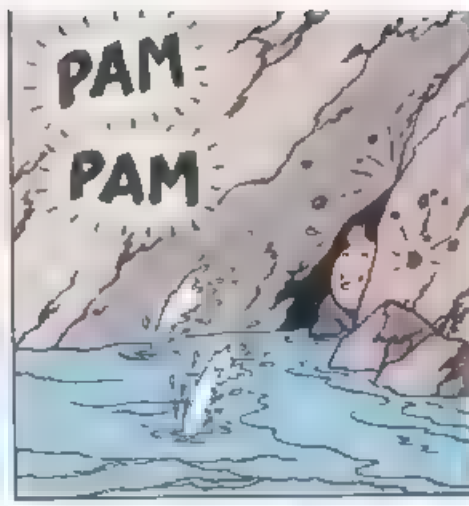

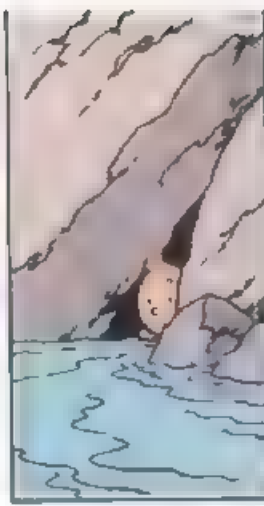

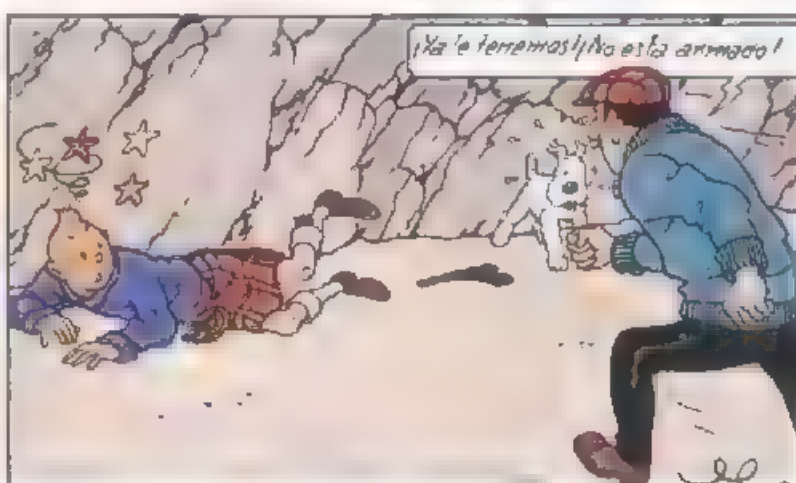

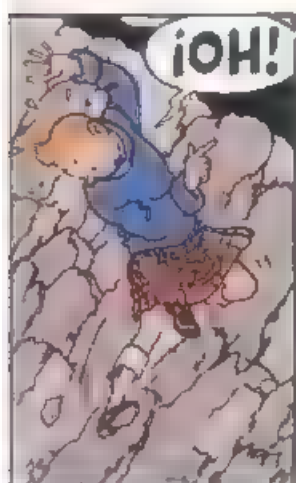

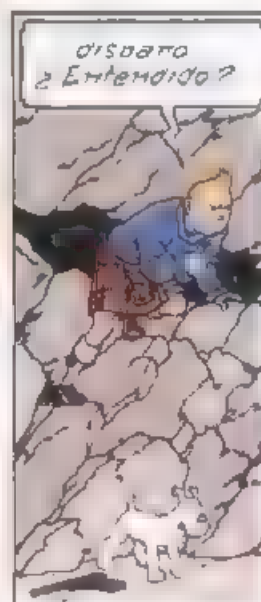

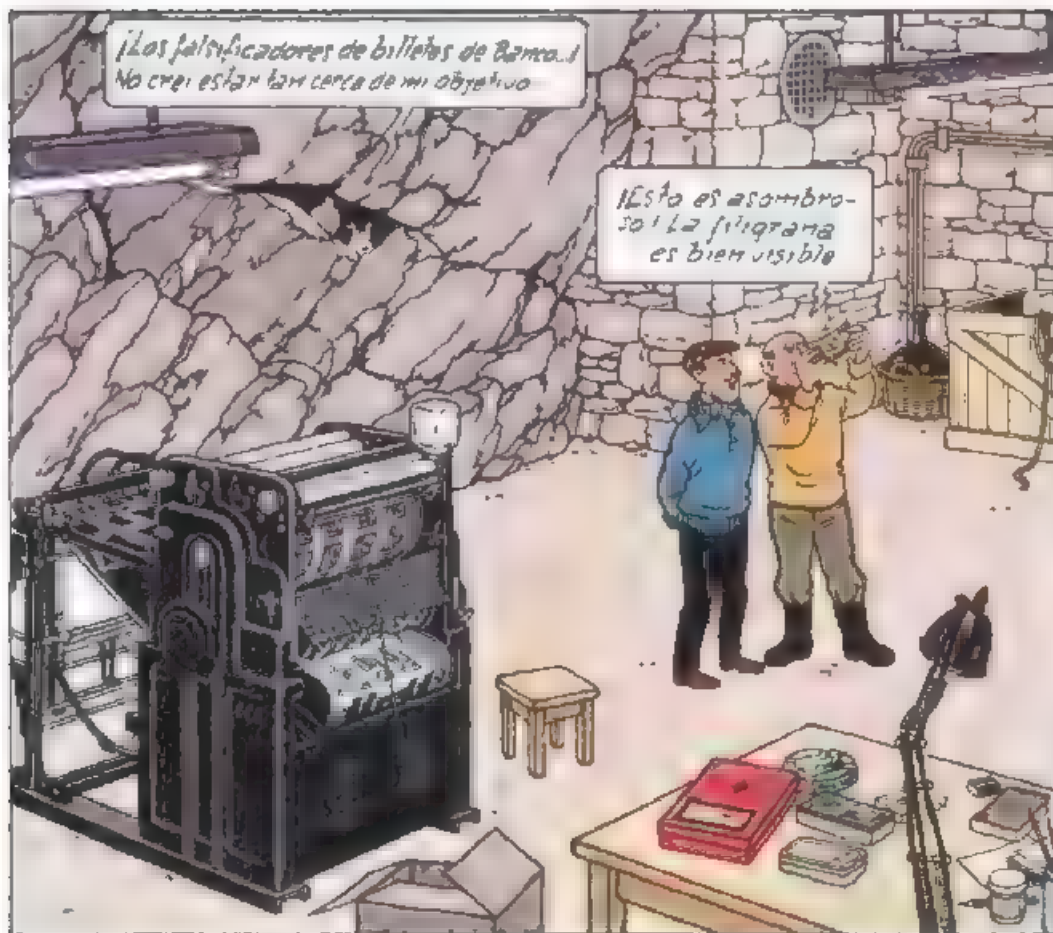

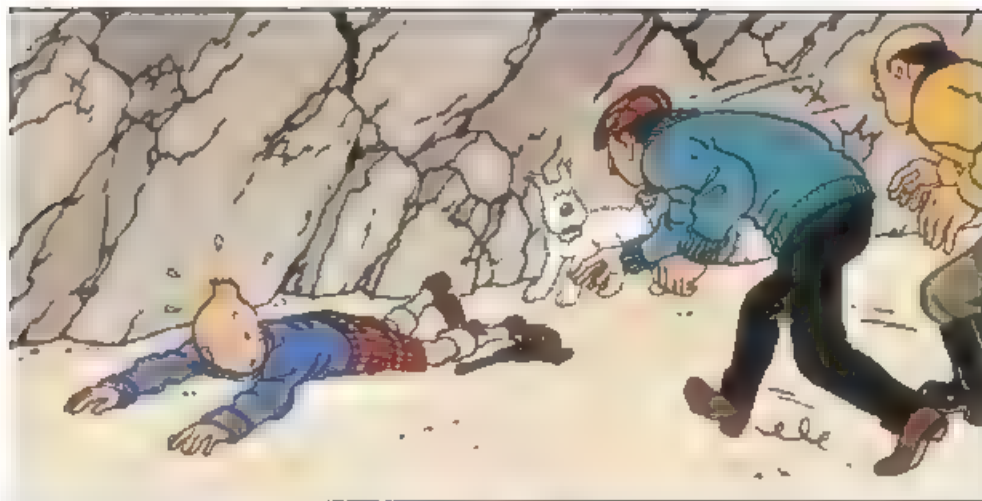

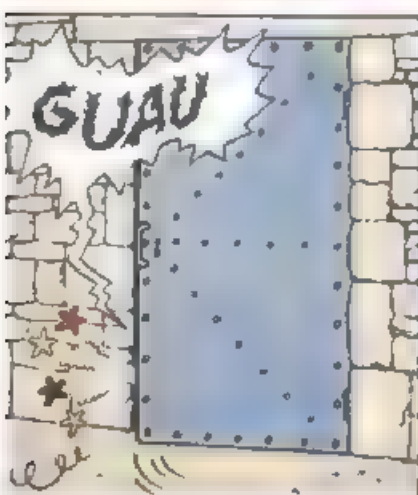

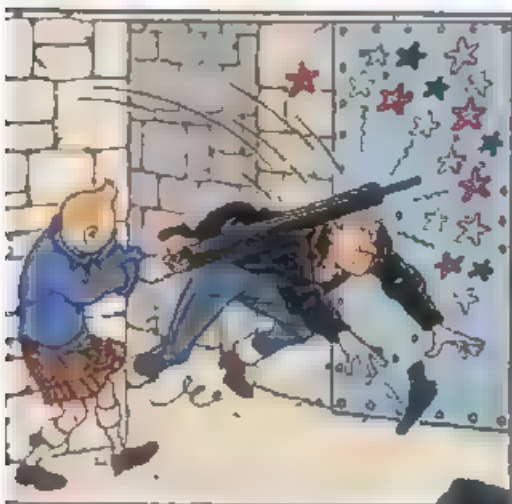

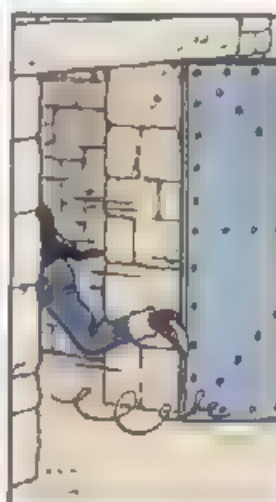

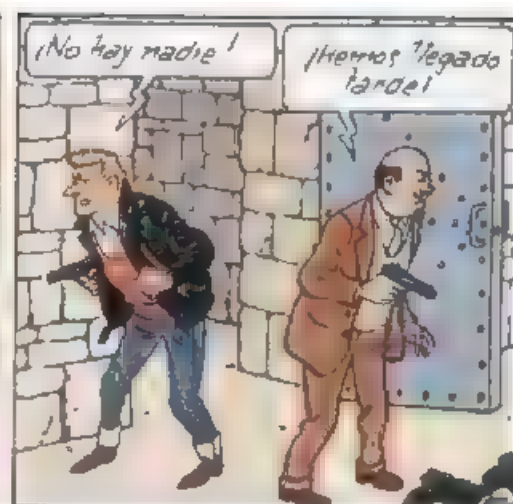

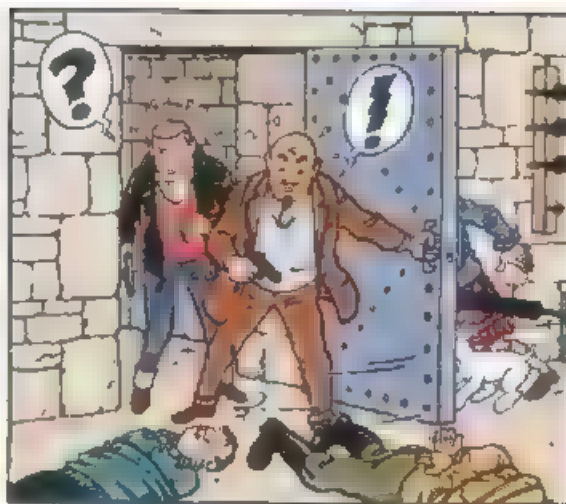

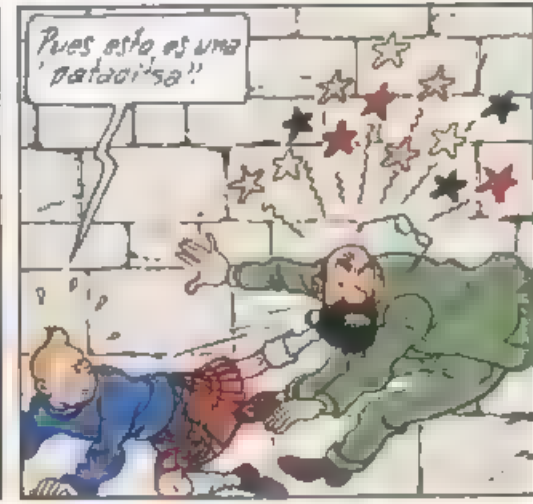

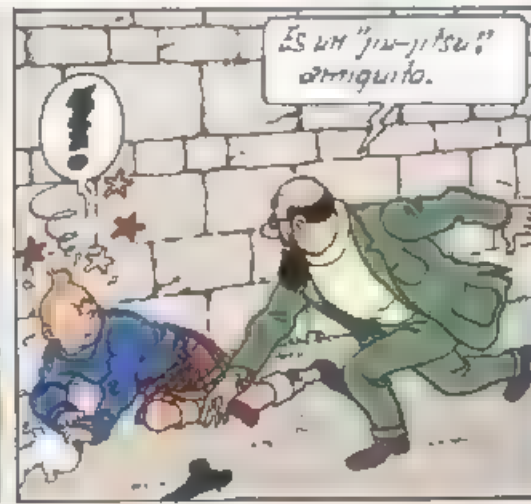

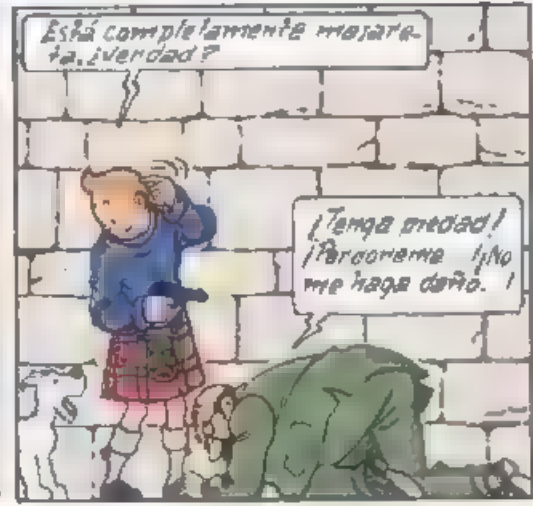

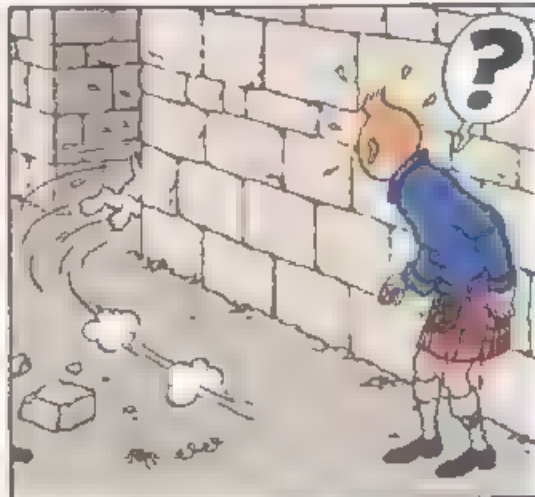

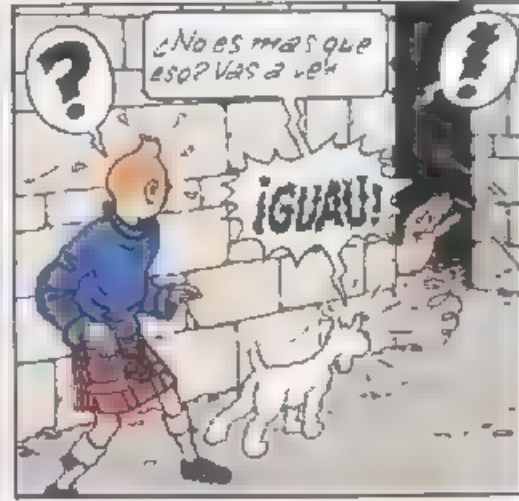

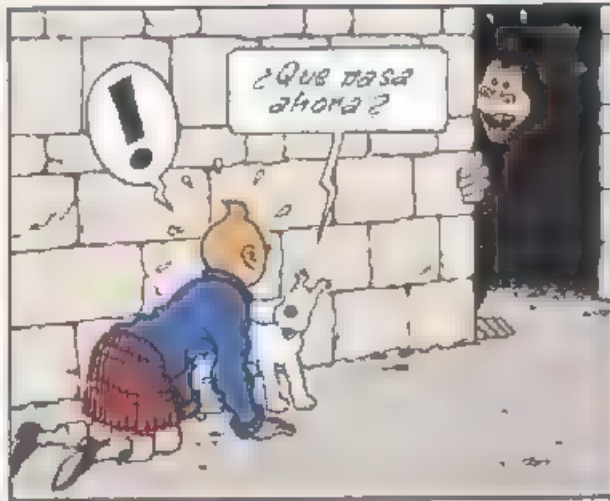

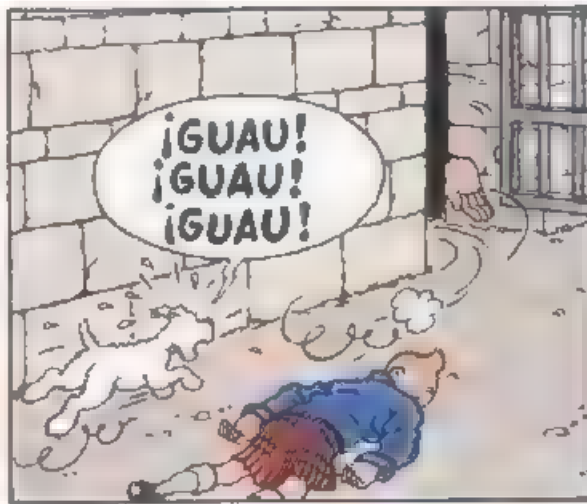

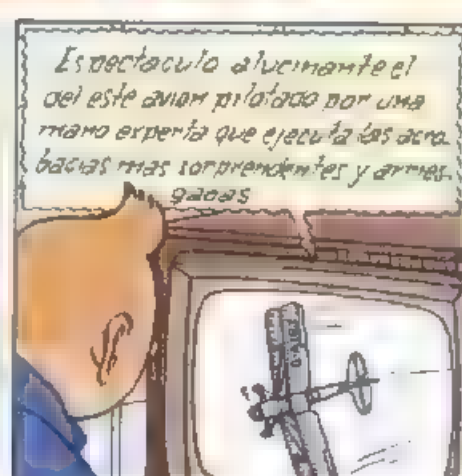

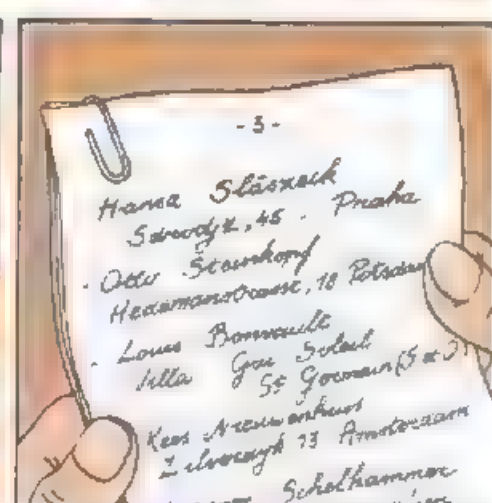

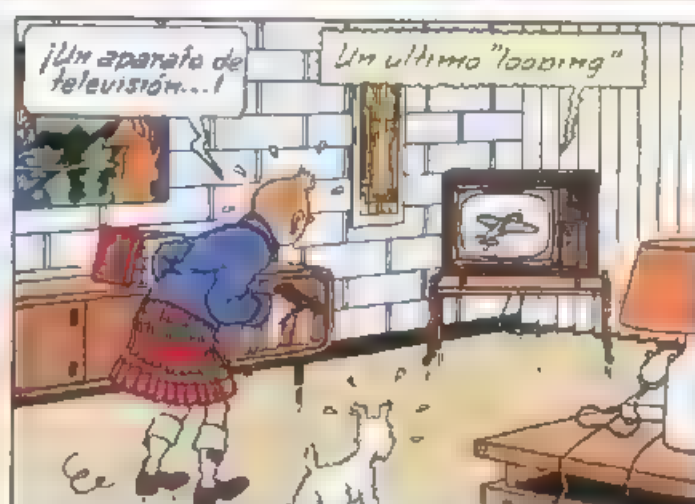

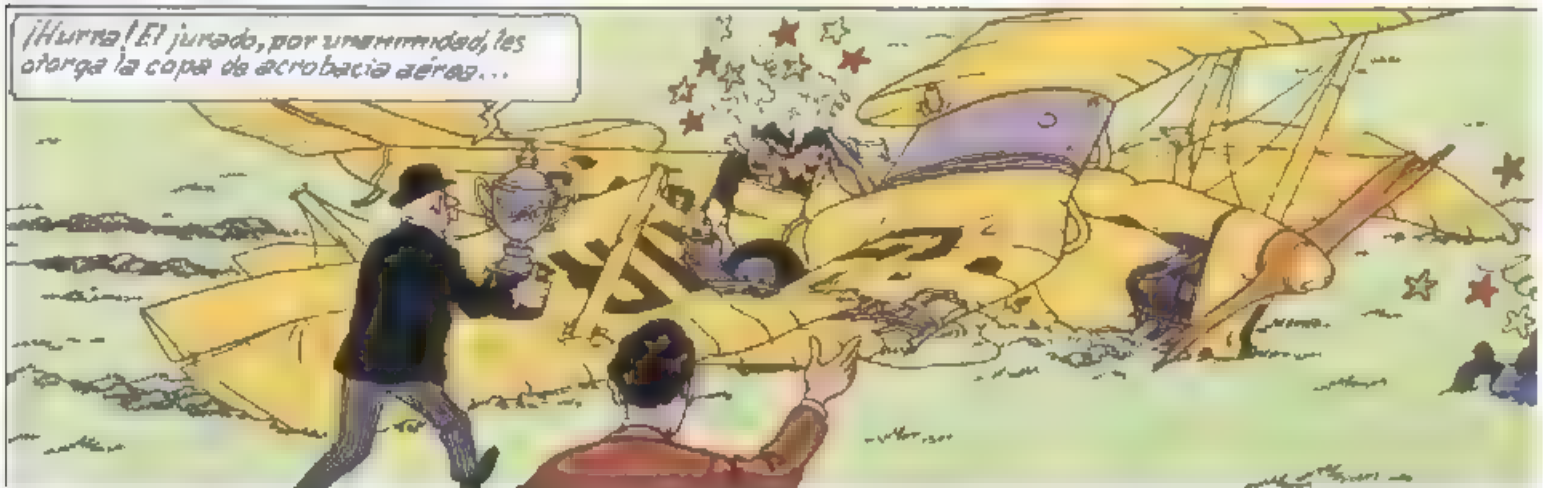

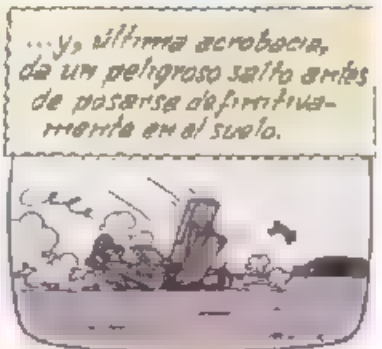

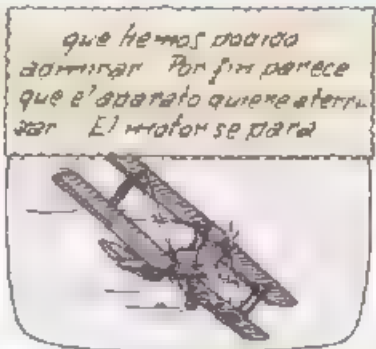

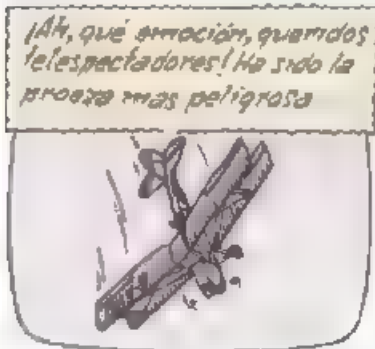

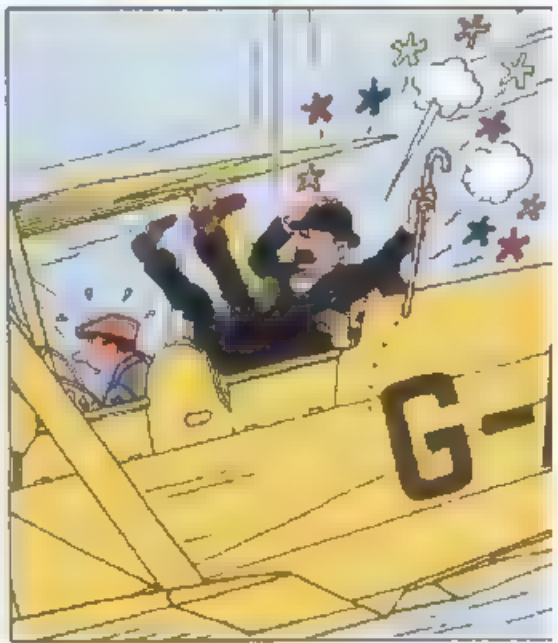

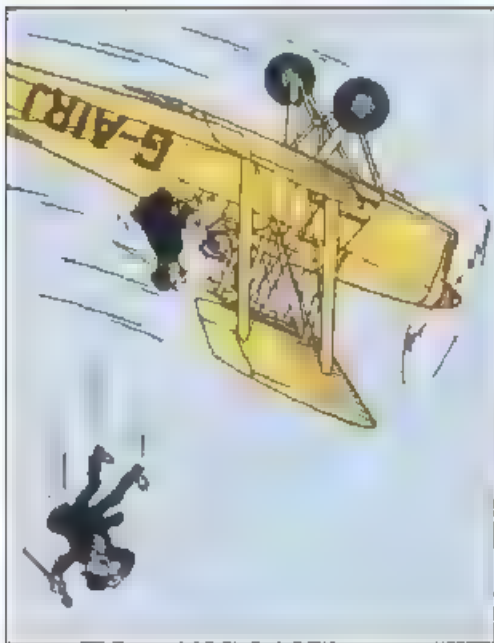

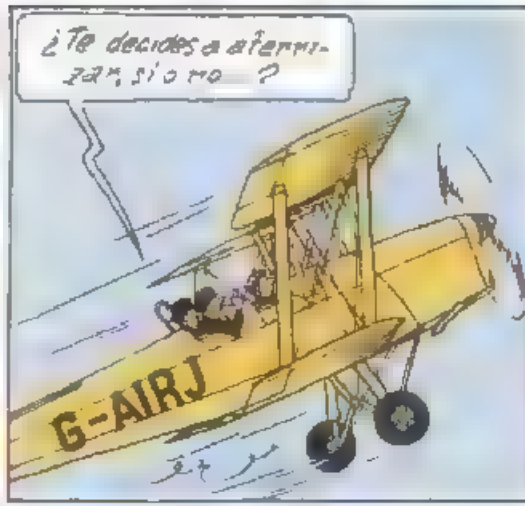

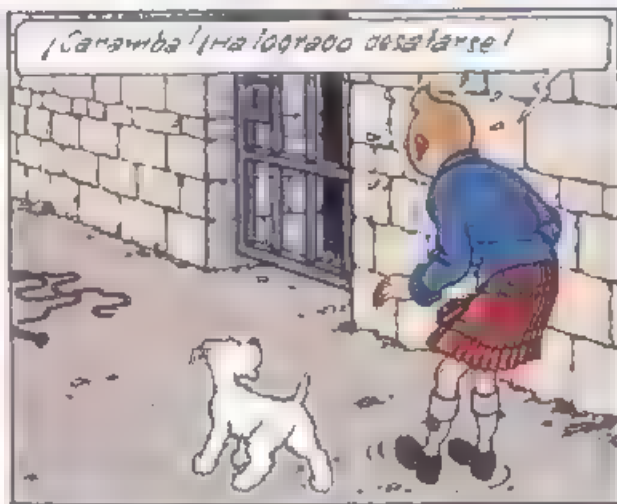

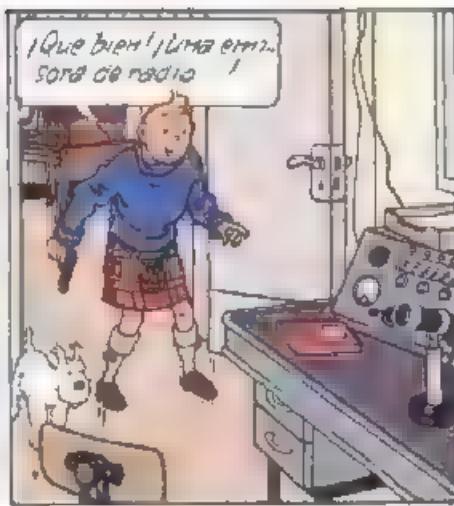

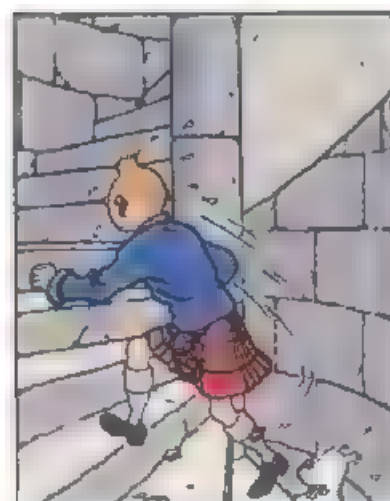

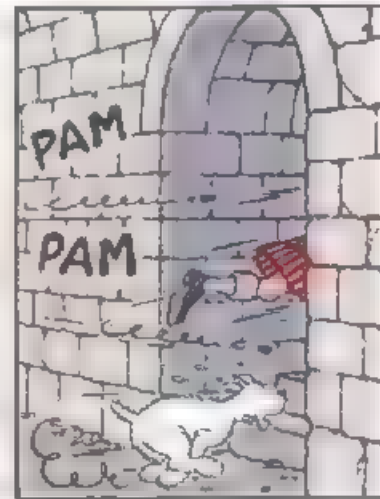

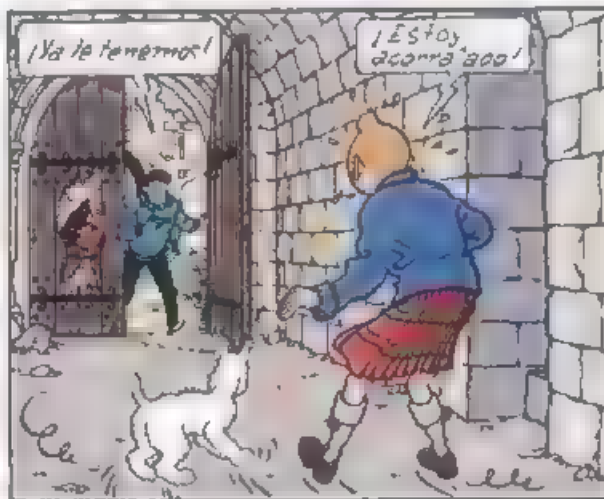

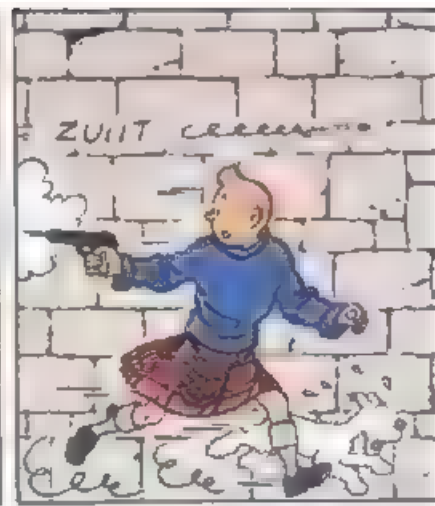

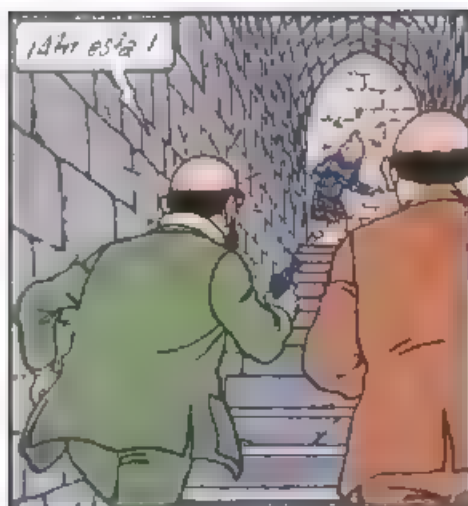

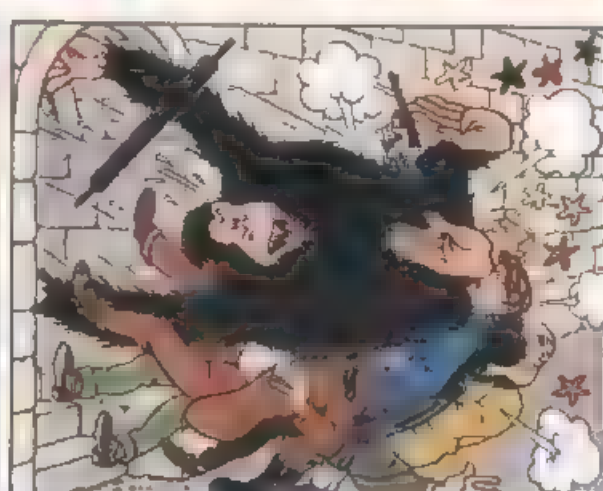

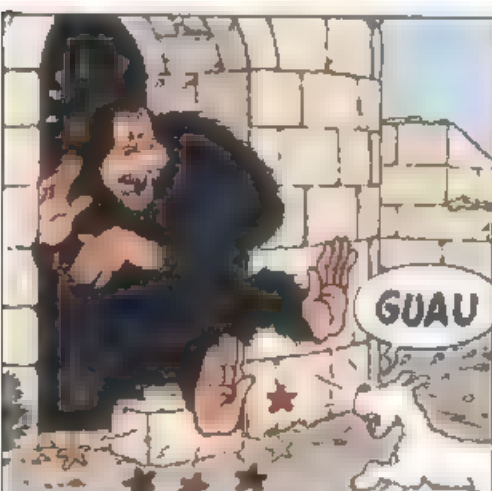

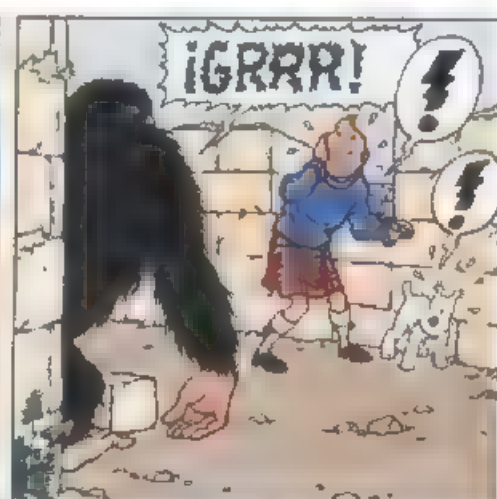

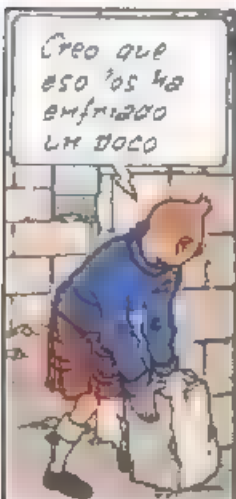

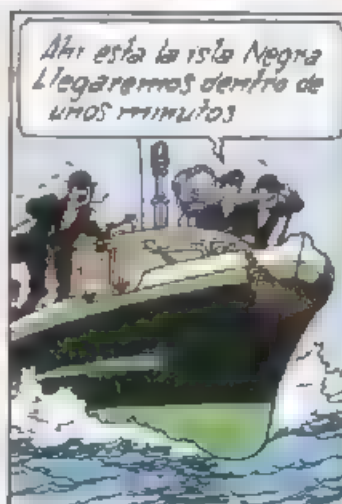

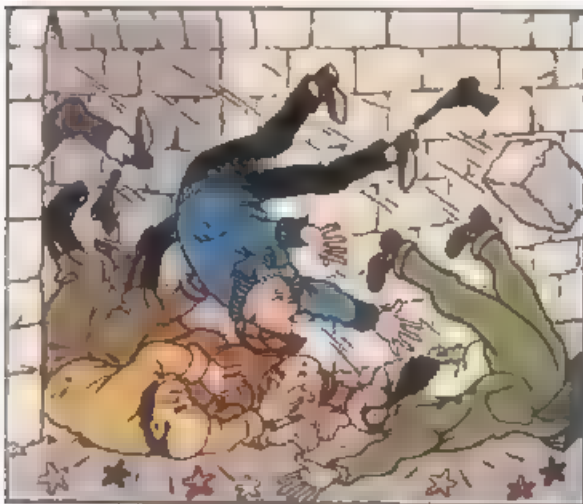

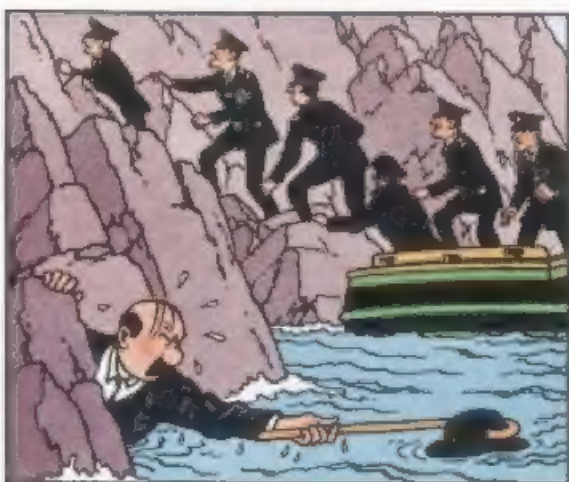

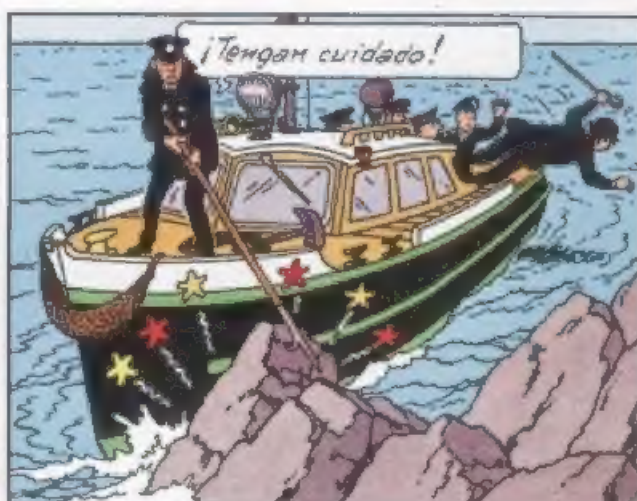

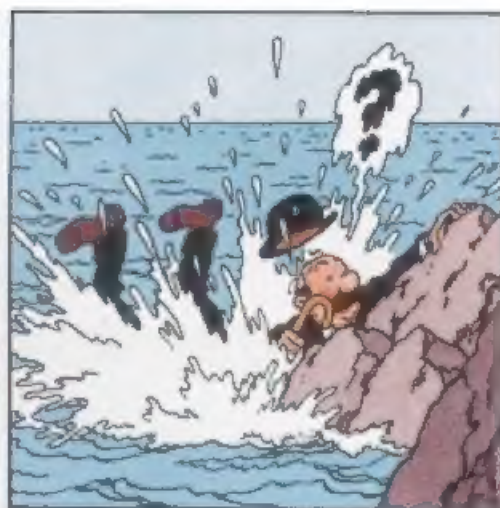

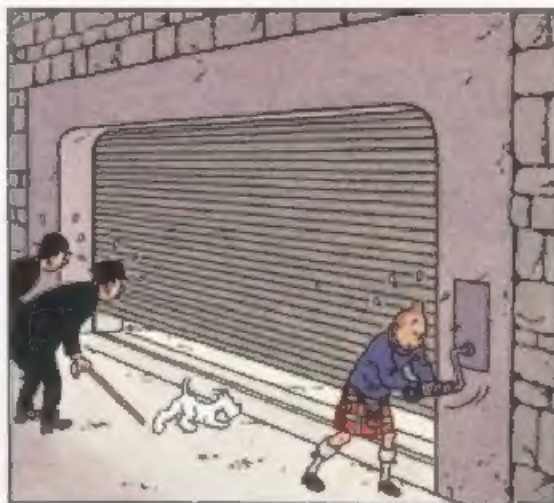

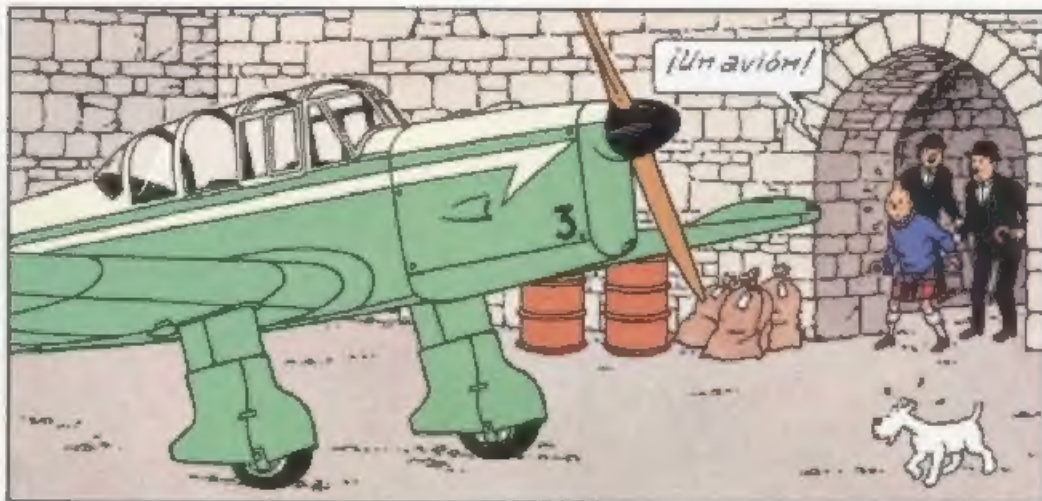

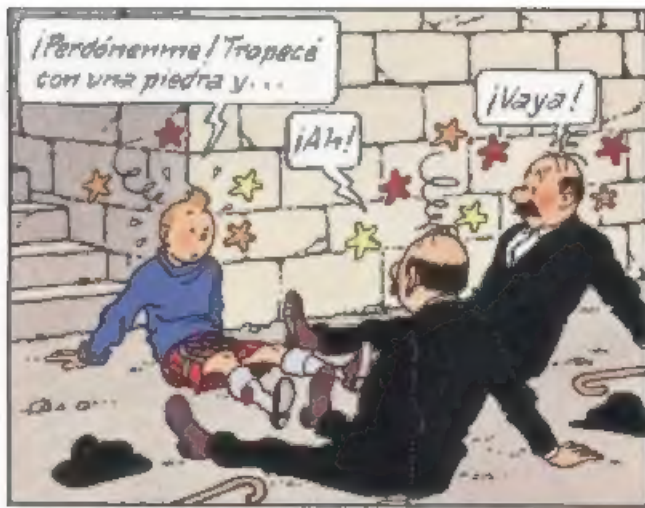

¡HOPI!

EL MISTERIO DE LA ISLA NEGRA

Una banda internacional de falsificadores de billetes de banco, va a la cárcel

Vean nuestros reportajes en las páginas 1, 3, 4, 5

Los cinco malhechores, debidamente custodiados, suben en el coche celular que les llevará a Edimburgo, lugar donde van a ser juzgados.

Muestras de los billetes de Banco descubiertos en la isla Negra. Eran enviados por avión a los cómplices extranjeros, quienes se encargaban de introducirlos en sus respectivos países.

Detalle curioso, esos billetes falsos están tan bien imitados que es imposible distinguirlos de los verdaderos.

El célebre periodista Tintin, cuya audacia y tenacidad han permitido a la policía apoderarse de una banda internacional de falsificadores de billetes de Banco, se ha traído de la isla Negra al gorila que empleaban los bandidos para asustar a los pescadores de la región.

Aquí vemos a Tintin despidiéndose del gorila que ha donado al parque zoológico de Londres.
